"(6) An amount payable under this subsection shall be adjusted under section 8462 and shall otherwise be treated under this chapter in the same way as an amount payable under subsection (a).

"(g)(1) If the widow or widower of an annuitant under section 8452 (hereinafter in this subsection referred to as a 'disability annuitant') is determined under subsection (a) to be entitled to an annuity based on the service of such disability annuitant, the annuity of the widow or widower shall be equal to 50 percent of the amount determined under paragraph (2), rather than of the amount referred to in subsection (a).

"(2)(A) Except as provided in subparagraph (B), the amount on which the annuity of the widow or widower of a disability annuitant is based shall be the amount of the annuity to which such disability annuitant was entitled, as computed under section 8452 (including appropriate reduction under subsection (a)(2) of such section and any adjustments under section 8462 allowed under section 8452), as of the day before the date of the disability annuitant's death.

"(B)(i) In the case of a widow or widower entitled to an annuity based on the service of a disability annuitant who dies before age 62, the amount under clause (ii) shall apply instead of the amount which would otherwise apply under subparagraph (A).

"(ii)(I) Subject to subclause (II), the amount of the annuity to which the disability annuitant was entitled as of the day before the date of death shall be considered to be the amount which would be computed with respect to such disability annuitant under section 8452(b) if the disability annuitant had attained age 62 on the day before date of death.

"(II) For purposes of any such computation under section 8452(b)(2) pursuant to this clause, creditable service shall (in addition to the service which would otherwise be used under subparagraph (B)(i) of such section) include the period of time between date of death and the date of the sixty-second anniversary of the birth of the annuitant, and average pay shall be adjusted in accordance with subparagraph (B)(ii) of such section only through date of death.

"(h) The following rules shall apply notwithstanding any other provision of this section:

"(1) The annuity payable under this section to a widow or widower may not exceed the difference between—

"(A) the amount of the annuity which would otherwise be payable to such widow or widower under this section; and

"(B) the amount of the annuity payable to any former spouse of the deceased employee, Member, or annuitant, or former employee or Member, based on an election made under section 8417(b) or a court order previously issued or agreement previously entered into as described in section 8445(a).

"(2) The amount payable under subsection (b)(1)(A) to a widow or widower may not exceed the difference between—

"(A) the amount which would otherwise be payable to such widow or widower under such subsection; and

"(B) the portion of such amount payable to any former spouse of the deceased employee, Member, or annuitant, or former employee or Member, based on a court order previously issued or agreement previously entered into.

"(3) A lump-sum credit under subsection (c)(2) shall be subject to the same terms and conditions as apply with respect to a lump-sum credit under section 8424(b).

5 USC 8443.

"§ 8443. Rights of a child

"(a)(1) If an employee or Member dies after completing at least 18 months of civilian service which is creditable under section 8411, or an annuitant dies, each surviving child is, for any month, entitled to an annuity equal to—

"(A) the amount by which the applicable amount under paragraph (2) for such month exceeds the applicable amount under paragraph (3) for such month, divided by

"(B) the number of children entitled to a payment under this section for such month.

"(2) The applicable amount under this paragraph for any month is the total amount to which the surviving child or children (as the case may be) of the annuitant, employee, or Member would be entitled for such month under subchapter III of chapter 83 based on the service of such annuitant, employee, or Member, if the service of such annuitant, employee, or Member were creditable under such subchapter.

Post, pp. 589, 591–593.

"(3) The applicable amount under this paragraph for any month is the total amount of child's insurance benefits which are payable (or would, on proper application, be payable) under title II of the Social Security Act for such month based on the wages and self-employment income of such annuitant, employee, or Member.

42 USC 401.

"(b) The annuity of a child under this subchapter—

"(1) commences on the day after the annuitant, employee, or Member dies;

"(2) commences or resumes on the first day of the month in which the child later becomes or again becomes a student as described by section 8441(4), if any lump sum paid is returned to the Fund; or

"(3) commences or resumes on the first day of the month in which the child later becomes or again becomes incapable of self-support because of a mental or physical disability incurred before age 18 (or a later recurrence of such disability), if any lump sum paid is returned to the Fund.

This annuity and the right thereto terminate on the last day of the month before the child—

"(A) becomes 18 years of age unless then a student as described or incapable of self-support;

"(B) becomes capable of self-support after becoming 18 years of age unless then such a student;

"(C) becomes 22 years of age if then such a student and capable of self-support;

"(D) ceases to be such a student after becoming 18 years of age unless then incapable of self-support; or

"(E) dies or marries;

whichever occurs first. On the death of the surviving wife or husband, or former wife or husband, or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the wife or husband, former wife or husband, or child had not survived the annuitant, employee, or Member.

5 USC 8444.

"§ 8444. Rights of a named individual with an insurable interest

"The annuity of a survivor named under section 8420(a) is 55 percent of the reduced annuity of the retired employee or Member determined under paragraph (2) of such section 8420(a). The annuity of the survivor commences on the day after the retired employee or Member dies. This annuity and the right thereto terminate on the last day of the month before the survivor dies.

5 USC 8445.

"§ 8445. Rights of a former spouse

"(a) Subject to subsections (b) through (e), a former spouse of a deceased employee, Member, or annuitant (or of a former employee or Member who dies after having separated from the service with title to a deferred annuity under section 8413 but before having established a valid claim for annuity) is entitled to an annuity under this section, if and to the extent expressly provided for in an election under section 8417(b), or in the terms of any decree of divorce or annulment or any court order or court-approved property settlement agreement incident to such decree.

"(b)(1) The annuity payable to a former spouse under this section may not exceed the difference between—

"(A) the amount applicable in the case of such former spouse, as determined under paragraph (2); and

"(B) the amount of any annuity payable under this section to any other former spouse of the employee, Member, or annuitant, or former employee or Member, based on an election previously made under section 8417(b), or a court order previously issued or agreement previously entered into as described in subsection (a).

"(2) The applicable amount, for purposes of paragraph (1)(A) in the case of a former spouse, is the amount of the annuity which would be payable under the provisions of section 8442 (including subsection (f) of such section, but without regard to subsection (h) of such section) if such former spouse were a widow or widower entitled to an annuity under such provisions based on the service of the deceased employee, Member, or annuitant, or former employee or Member.

Contracts.

"(c) The commencement and termination of an annuity payable under this section shall be governed by the terms of the applicable order, decree, agreement, or election, as the case may be, except that any such annuity—

"(1) shall not commence before—

"(A) the day after the employee, Member, or annuitant, or former employee or Member, dies; or

"(B) the first day of the second month beginning after the date on which the Office receives written notice of the order, decree, agreement, or election, as the case may be, together with such additional information or documentation as the Office may prescribe;

whichever is later; and

"(2) shall terminate no later than the last day of the month before the former spouse remarries before becoming 55 years of age or dies.

"(d) For purposes of this chapter, a modification in a decree, order, agreement, or election referred to in subsection (a) shall not be effective—

"(1) if such modification is made after the retirement or death of the employee, Member, or annuitant, or former employee or Member, concerned; and

"(2) to the extent that such modification involves an annuity under this section.

"(e) For purposes of this chapter, a decree, order, agreement, or election referred to in subsection (a) shall not be effective, in the case of a former spouse, to the extent that it is inconsistent with any joint waiver previously executed with respect to such former spouse under section 8416(a).

"(f)(1) Any amount under section 8442(b)(1)(A) which would otherwise be payable to a widow or widower based on the service of another individual shall be paid (in whole or in part) by the Office to a former spouse of such individual if and to the extent expressly provided for in the terms of a court decree of divorce, annulment, or legal separation, or the terms of a court order or court-approved property settlement incident to any decree of divorce, annulment, or legal separation.

"(2) Paragraph (1) shall apply only to payments made by the Office after the date of receipt in the Office of written notice of such decree, order, or agreement, and such additional information and documentation as the Office may prescribe.

"(g) Any payment under this section to a person bars recovery by any other person.

"SUBCHAPTER V—DISABILITY BENEFITS

"§ 8451. Disability retirement

5 USC 8451.

"(a)(1)(A) An employee who completes at least 18 months of civilian service creditable under section 8411 and has become disabled shall be retired on the employee's own application or on application by the employee's agency.

"(B) For purposes of this subsection, an employee shall be considered disabled only if the employee is found by the Office to be unable, because of disease or injury, to render useful and efficient service in the employee's position.

"(2)(A) Notwithstanding paragraph (1), an employee shall not be eligible for disability retirement under this section if the employee has declined a reasonable offer of reassignment to a vacant position in the employee's agency for which the employee is qualified if the position—

"(i) is at the same grade (or pay level) as the employee's most recent grade (or pay level) or higher;

"(ii) is within the employee's commuting area; and

"(iii) is one in which the employee would be able to render useful and efficient service.

Regulations.

"(B) An employee who is applying for disability retirement under this subchapter shall be considered for reassignment by the employee's agency to a vacant position described in subparagraph (A) in accordance with such procedures as the Office shall by regulation prescribe.

"(C) An employee is entitled to appeal to the Merit Systems Protection Board under section 7701 any determination that the employee is not unable, because of disease or injury, to render useful and efficient service in a position to which the employee has declined reassignment under this section.

"(D) For purposes of subparagraph (A), an employee of the United States Postal Service shall not be considered qualified for a position if such position is in a different craft or if reassignment to such position would be inconsistent with the terms of a collective-bargaining agreement covering the employee.

100 STAT. 566

"(b) A Member who completes at least 18 months of service as a Member and is found by the Office to be disabled for useful and efficient service as a Member because of disease or injury shall be retired on the Member's own application.

"(c) An employee or Member retiring under this section is entitled to an annuity computed under section 8452.

5 USC 8452.

"§ 8452. Computation of disability annuity

"(a)(1)(A) Except as provided in paragraph (2), or subsection (b), (c), or (d), the annuity of an annuitant under this subchapter—

"(i) for the period beginning on the date on which such annuity commences, or is restored (as described in section 8455(b) (2) or (3)), and ending at the end of the twelfth month beginning on or after such date, shall be equal to 60 percent of the annuitant's average pay; and

"(ii) after the end of the period referred to in clause (i), shall be equal to 40 percent of the annuitant's average pay.

"(B) An annuity computed under this paragraph shall not, for purposes of any adjustment under section 8462 (including any adjustment under subsection (c)(1) of such section), be considered to have commenced until after such annuity ceases to be determined under subparagraph (A)(i).

"(2)(A) For any month in which an annuitant is entitled both to an annuity under this subchapter as computed under paragraph (1) and to a disability insurance benefit under section 223 of the Social Security Act, the annuitant's annuity for such month (as so computed) shall—

42 USC 423.

"(i) if such month occurs during a period referred to in paragraph (1)(A)(i), be reduced by 100 percent of the annuitant's assumed disability insurance benefit for such month; or

"(ii) if such month occurs other than during a period referred to in paragraph (1)(A)(i), be reduced by 60 percent of the annuitant's assumed disability insurance benefit for such month;

except that an annuity may not be reduced below zero by reason of this paragraph.

"(B)(i) For purposes of this paragraph, the assumed disability insurance benefit of an annuitant for any month shall be equal to—

"(I) the amount of the disability insurance benefit to which the annuitant would have been entitled under section 223 of the Social Security Act for the month in which the annuity under this subchapter commenced, or was restored, determined as if such annuitant had then satisfied all requirements for entitlement to a benefit under such section, adjusted by

"(II) all adjustments made under section 8462(b) between the date on which the annuity commenced, or was restored, and the start of the month involved (without regard to whether the annuitant's annuity was affected by any of those adjustments).

For purposes of computing the assumed disability insurance benefit, the month in which the annuitant's disability began (as determined under section 216(i)(2)(C) of the Social Security Act) shall be the month in which the annuity commenced or, if earlier (and if a determination was actually made) the month determined under such section.

42 USC 416.

"(ii) For purposes of applying section 224 of the Social Security Act to the assumed disability insurance benefit used to compute the reduction under this paragraph, the amount of the annuity under this subchapter which is considered shall be the amount of the annuity as determined before the application of this paragraph.

42 USC 424a.

100 STAT. 567

"(b)(1) Except as provided in subsection (d), if an annuitant is entitled to an annuity under this subchapter as of the day before the date of the sixty-second anniversary of the annuitant's birth (hereinafter in this section referred to as the annuitant's 'redetermination date'), such annuity shall be redetermined under paragraph (3) or (4), as applicable. Effective as of the annuitant's redetermination date, the annuity (as so redetermined) shall be in lieu of any annuity to which such annuitant would otherwise be entitled under this subchapter.

"(2)(A) In order to carry out paragraphs (3) and (4), the Office shall compute an annuity for the annuitant under section 8415.

"(B) In performing a computation under this paragraph—

"(i) creditable service of the annuitant shall be increased by including the period (or periods), if any, before the annuitant's redetermination date during which the annuitant was entitled to an annuity under this subchapter; and

"(ii) the average pay which would otherwise be used shall be adjusted to reflect all adjustments made under section 8462(b) with respect to any period (or periods) referred to in clause (i) (without regard to whether the annuitant's annuity was affected by any of those adjustments).

"(3) If, as of the day before the annuitant's redetermination date, the annuitant's annuity is subject to reduction under subsection (a)(2), the annuitant's redetermined annuity shall be the lesser of—

"(A) the amount determined with respect to such annuitant under paragraph (2); or

"(B) subject to the following sentence, the amount (converted so as to be expressed as an annual amount) which would otherwise be payable under this subchapter for the month in which occurs the day before the annuitant's redetermination date, as computed under subsection (a) (based on the assumption that the annuitant was entitled to an annuity under this subchapter, and to a disability insurance benefit under section 223 of the Social Security Act, for the entirety of such month). 42 USC 423.

If the annuitant's redetermination date occurs during the period described in subsection (a)(1)(A), the amount used under subparagraph (B) may not exceed the amount (converted so as to be expressed as an annual amount) which would otherwise be payable under this subchapter for the first month after such period, as computed under subsection (a) based on the assumption that the annuitant was entitled to an annuity under this subchapter, and to a disability insurance benefit under section 223 of the Social Security Act, for the entirety of such month.

"(4) If, as of the day before the annuitant's redetermination date, the annuitant's annuity is not subject to reduction under subsection (a)(2), the annuitant's redetermined annuity shall be the lesser of—

"(A) the amount determined with respect to such annuitant under paragraph (2); or

"(B) the amount which would be used for such annuitant under subparagraph (B) of paragraph (3) (as determined subject to the second sentence of such paragraph), if such paragraph applied to such annuitant.

"(c) Except as provided in subsection (d), the annuity of an annuitant under this subchapter shall be computed under section 8415 if—

"(1) such annuity commences, or is restored, beginning on or after the redetermination date of the annuitant; or

100 STAT. 568

"(2) as of the day on which such annuity commences, or is restored, the annuitant satisfies the age and service requirements for entitlement to an annuity under section 8412 (other than subsection (g) of such section).

"(d) The annuity to which an annuitant is entitled under this section shall not be less than the amount of an annuity computed under section 8415 (excluding subsection (f) of such section).

Claims.
5 USC 8453.

"§ 8453. Application

"A claim may be allowed under this subchapter only if application is filed with the Office before the employee or Member is separated from the service or within 1 year thereafter. This time limitation may be waived by the Office for an employee or Member who, at the date of separation from service or within 1 year thereafter, is mentally incompetent if the application is filed with the Office within 1 year from the date of restoration of the employee or Member to competency or the appointment of a fiduciary, whichever is earlier.

5 USC 8454.

"§ 8454. Medical examination

"An annuitant receiving a disability retirement annuity from the Fund shall be examined under the direction of the Office—

"(1) at the end of 1 year from the date of the disability retirement; and

"(2) annually thereafter until becoming 60 years of age;

unless the disability is permanent in character. If the annuitant fails to submit to examination as required by this section, payment of the annuity shall be suspended until continuance of the disability is satisfactorily established.

5 USC 8455.

"§ 8455. Recovery; restoration of earning capacity

"(a)(1) If an annuitant receiving a disability retirement annuity from the Fund recovers from the disability before becoming 60 years of age, payment of the annuity terminates on reemployment by the Government or 1 year after the date on which the Office determines that the annuitant has recovered, whichever is earlier.

"(2) If an annuitant receiving a disability annuity from the Fund, before becoming 60 years of age, is restored to an earning capacity fairly comparable to the current rate of pay of the position occupied at the time of retirement, payment of the annuity terminates 180 days after the end of the calendar year in which earning capacity is so restored. Earning capacity is deemed restored if in any calendar year the income of the annuitant from wages or self-employment or both equals at least 80 percent of the current rate of pay of the position occupied immediately before retirement.

"(b)(1) If an annuitant whose annuity is terminated under subsection (a) is not reemployed in a position in which that individual is subject to this chapter, such individual is deemed, except for service credit, to have been involuntarily separated from the service for the purpose of subchapter II of this chapter as of the date of termination of the disability annuity, and after that termination is entitled to annuity under the applicable provisions of such subchapter.

"(2) If an annuitant whose annuity is terminated under subsection (a)(2)—

"(A) is not reemployed in a position subject to this chapter; and

"(B) has not recovered from the disability for which that individual was retired;

the annuity of such individual shall be restored at the applicable rate under section 8452 effective the first of the year following any calendar year in which such individual's income from wages or self-employment or both is less than 80 percent of the current rate of pay of the position occupied immediately before retirement.

"(3) If an annuitant whose annuity is terminated because of a medical finding that the individual has recovered from disability is not reemployed in a position in which such individual is subject to this chapter, the annuity of such individual shall be restored at the applicable rate under section 8452 effective from the date on which the Office determines that there has been a recurrence of the disability.

"(4) Paragraphs (2) and (3) shall not apply in the case of an annuitant receiving an annuity from the Fund under subchapter II of this chapter.

"§ 8456. Relationship to workers' compensation 5 USC 8456.

"(a)(1) An individual is not entitled to receive an annuity under this subchapter and compensation for injury to or disability of the individual under subchapter I of chapter 81 covering the same period of time. 5 USC 8101.

"(2) Paragraph (1) does not bar the right of a claimant to the greater benefit conferred by either subchapter referred to in such paragraph for any part of the period referred to in such paragraph.

"(3) Paragraph (1) and the provisions of subchapter I of chapter 81 do not deny an individual an annuity which the individual is entitled to receive under this chapter on account of service performed by the individual and do not deny any concurrent benefit to the individual under subchapter I of chapter 81 on account of the death of another individual.

"(b)(1) Subject to paragraph (2), an individual's receipt of a lump-sum payment for compensation under section 8135 shall not affect the individual's entitlement to an annuity under this subchapter.

"(2) If an annuity is payable under this subchapter by reason of the same disability for which a lump-sum payment of compensation referred to in paragraph (1) has been made, so much of the compensation as has been paid for a period extended beyond the date payment of the annuity commences, as determined by the Department of Labor, shall be refunded to that Department for credit to the Employees' Compensation Fund. Before the individual may receive the disability annuity, the individual shall—

"(A) refund to the Department of Labor the amount representing the commuted compensation payments for the extended period; or

"(B) authorize the deduction of the amount from the annuity.

Deductions from the annuity may be made from accrued or accruing payments. The amounts deducted and withheld from the annuity shall be transmitted to the Department of Labor for reimbursement to the Employees' Compensation Fund. When the Department of Labor finds that the financial circumstances of an individual entitled to an annuity under this subchapter warrant deferred refunding under this paragraph, deductions from the annuity may be prorated against and paid from accruing payments in such manner as the Department determines appropriate.

"§ 8457. Military reserve technicians 5 USC 8457.

"(a)(1) Except as provided in paragraph (2) or (3), an individual shall be retired under this subchapter if the individual—

"(B) is not considered to be disabled under section 8451(a)(1)(B);

"(C) is not appointed to a position in the Government (whether under subsection (c) or otherwise); and

"(D) has not declined an offer of an appointment to a position in the Government under subsection (c).

"(2) Payment of any annuity for an individual pursuant to this section terminates—

"(A) on the date the individual is appointed to a position in the Government (whether pursuant to subsection (c) or otherwise);

"(B) on the date the individual declines an offer of appointment to a position in the Government under subsection (c); or

"(C) as provided under section 8455(a).

"(3) An individual eligible to retire under section 8414(c) shall not be eligible to retire under this section.

"(b) Any individual applying for or receiving any annuity pursuant to this section shall, in accordance with regulations prescribed by the Office, be considered by any agency of the Government before any vacant position in the agency is filled if—

"(1) the position is located within the commuting area of the individual's former position;

"(2) the individual is qualified to serve in such position, as determined by the head of the agency; and

"SEC. 861. FORMER SPOUSES.—(a)(1)(A) Unless otherwise expressly provided by any spousal agreement or court order governing disposition of benefits under this subchapter, a former spouse of a participant or former participant is entitled, during the period described in subparagraph (B), to a share (determined under paragraph (2)) of all benefits otherwise payable to such participant under this subchapter if such former spouse was married to the participant for at least 10 years during service of the participant which is creditable under this chapter with at least 5 of such years occurring while the participant was a member of the Foreign Service.

"(B) The period referred to in subparagraph (A) is the period which begins on the first day of the month following the month in which the divorce or annulment becomes final and ends on the last day of the month before the former spouse dies or remarries before 55 years of age.

"(2) The share referred to in paragraph (1) equals—

"(A) 50 percent, if such former spouse was married to the participant throughout the actual years of service of the participant which are creditable under this chapter; or

"(B) a pro rata share of 50 percent, if such former spouse was not married to the participant throughout such creditable service.

"(3) A former spouse shall not be qualified for any benefit under this subsection if, before the commencement of any benefit, the former spouse remarries before becoming 55 years of age.

"(4)(A) For purposes of the Internal Revenue Code of 1954, payments to a former spouse under this section shall be treated as income to the former spouse and not to the participant. 26 USC 1 *et seq.*

"(B) Any reduction in payments to a participant or former participant as a result of payments to a former spouse under this subsection shall be disregarded in calculating—

"(i) the survivor annuity for any spouse, former spouse, or other survivor under this subchapter, and

"(ii) any reduction in the annuity of the participant to provide survivor benefits under this subchapter.

"(5) Notwithstanding subsection (a)(1), in the case of any former spouse of a disability annuitant—

"(A) the annuity of the former spouse shall commence on the date the participant would qualify, on the basis of his or her creditable service, for an annuity under this chapter (other than a disability annuity) or the date the disability annuity begins, whichever is later, and

"(B) the amount of the annuity of the former spouse shall be calculated on the basis of the annuity for which the participant would otherwise so qualify.

"(6)(A) Except as provided in subparagraph (B), any former spouse who becomes entitled to receive any benefit under this subchapter which would otherwise be payable to a participant or former participant shall be entitled to make any election regarding method of payment to such former spouse that such participant would have otherwise been entitled to elect, and the participant may elect an alternate method for the remaining share of such benefits. Such elections shall not increase the actuarial present value of benefits expected to be paid under this subchapter.

"(B) A former spouse may not elect a method of payment under subchapter II, chapter 84 of title 5, United States Code, providing for payment of a survivor annuity to any survivor of the former spouse. *Ante*, p. 522.

"(7) The maximum amount payable to any former spouse pursuant to this subsection shall be the difference, if any, between 50 percent of the total benefits authorized to be paid to a former participant by this subchapter, disregarding any apportionment of these benefits to others, and the aggregate amount payable to all others at any one time.

"(b)(1) Unless otherwise expressly provided for by any spousal agreement or court order governing survivorship benefits under this subchapter to a former spouse married to a participant or former participant for the periods specified in subsection (a)(1)(A), such

100 STAT. 621 former spouse is entitled to a share, determined under subsection (b)(2), of all survivor benefits that would otherwise be payable under this subchapter to an eligible surviving spouse of the participant.

"(2) The share referred to in subsection (b)(1) equals—

"(A) 100 percent if such former spouse was married to the participant throughout the entire period of service of the participant which is creditable under this chapter; or

"(B) a pro rata share of 100 percent if such former spouse was not married to the participant throughout such creditable service.

"(c) A participant or former participant may not make any election or modification of election under section 8417, 8418, or 8433 of title 5, United States Code, or other section relating to the participant's account in the Thrift Savings Plan or annuity under the basic plan that would diminish the entitlement of a former spouse to any benefit granted to the former spouse by this section or in a current spousal agreement.

"(d) If a member becomes a participant under this subchapter after qualifying for benefits under subchapter I and, at the time of transfer, has a former spouse entitled to benefits under subchapter I which are determined under section 814 or 815 (as determined by the Secretary of State) and are similar in amount to a pro rata share division under section 814 or 815 and the service of the member as a participant under this subchapter is not recognized in determining that pro rata share, then subsections (a) and (b) of this section shall not apply to such former spouse. Otherwise, subsections (a) and (b) of this section shall apply. 22 USC 4054, 4055.

"(e) If a participant dies after completing at least 18 months of service or a former participant dies entitled to a deferred annuity, but before becoming eligible to receive the annuity, and such participant or former participant has left with the Secretary of State a spousal agreement promising a share of a survivor annuity under subchapter IV, chapter 84, title 5, United States Code, to a former spouse, such survivor annuity shall be paid under the terms of this subchapter as if the survivor annuity had been ordered by a court.

22 USC 4071k. "Sec. 862. Spousal Agreements.—A spousal agreement is any written agreement (properly authenticated as determined by the Secretary of State) between a participant or former participant and his or her spouse or former spouse on file with the Secretary of State. A spousal agreement shall be consistent with the terms of this Act and applicable regulations and, if executed at the time a participant or former participant is currently married, shall be approved by such current spouse. It may be used to fix the level of benefits payable under this subchapter to a spouse or former spouse.".

If the court determines, after hearing, that such person was dismissed and the proceedings against him discharged and that he was not over twenty-one years of age at the time of the offense, it shall enter such order. The effect of such order shall be to restore such person, in the contemplation of the law, to the status he occupied before such arrest or indictment or information. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

"(3) A certified order or judgment of forfeiture by a court of competent jurisdiction of a foreign country concerning property which is the subject of forfeiture under this section and was determined by such court to be the type of property described in subsection (a)(1)(B) of this section, and any certified recordings or transcripts of testimony taken in a foreign judicial proceeding concerning such order or judgment of forfeiture, shall be admissible in evidence in a proceeding brought pursuant to this section. "(5) The provisions of paragraphs (3) and (4) of this subsection shall not be construed as limiting the admissibility of any evidence otherwise admissible, nor shall they limit the ability of the United States to establish probable cause that property is subject to forfeiture by any evidence otherwise admissible.

Report.

The Secretary shall report to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate on such study and shall include in the report recommendations concerning whether alkyl nitrites should be treated as a drug under the Federal Food, Drug, and Cosmetic Act.

21 USC 301.

SEC. 4016. SENSE OF THE SENATE WITH RESPECT TO POSSESSION OR DISTRIBUTION OF DRUGS UNDER STATE LAW.

21 USC 801 note.

It is the sense of the Senate that, if the possession or distribution of a drug is an offense under the Controlled Substances Act, the laws of the States should not be amended or revised to provide that the possession or distribution, respectively, of such drug is not a criminal offense.

SEC. 4017. STUDIES ON HEALTH WARNING LABELS FOR ALCOHOLIC BEVERAGES.

(a) The Senate finds that—

100 STAT. 3207-121

(1) the most abused drug in America is alcohol;

(2) alcohol abuse costs the American economy nearly $120,000,000,000 per year, including increased medical expenses and decreased productivity;

(3) in 1984, 53 percent of the traffic fatalities in the United States, accounting for more than 23,500 deaths, were related to the consumption of alcohol;

(4) over 12,000,000 American adults have one or more symptoms of alcoholism, and this represents an 8.2 percent increase in problem drinking since 1980;

(5) in 1984, almost 3,300,000 individuals between the ages of 14 and 17 experienced serious problems at home, in school, or with the law because of alcohol consumption;

(6) fetal alcohol syndrome is the third leading cause of birth defects, and is the only preventable cause of birth defects among the top three causes;

(7) nearly 5,000 babies per year are born with birth defects related to fetal alcohol syndrome;

(8) the statistics cited in the preceding paragraphs of this subsection indicate that many Americans are not aware of the adverse effects that the abuse of alcoholic beverages may have on health;

(9) it is necessary to undertake a serious national effort to educate the American people of the serious consequences of alcohol abuse; and

(10) carefully drafted warning labels on the containers of alcoholic beverages concerning serious health consequences resulting from the abuse of alcohol may assist in providing such education.

(b) Therefore, it is the sense of the Senate that—

(1) the Public Health Service should focus attention on the problem of educating the American people on the serious health consequences of alcohol abuse;

(2) the Public Health Service should review available knowledge and conduct studies to assess the most effective means of providing such education, including an assessment of the potential educational impact of health warning labels on the containers of alcoholic beverages; and

Report.

(3) the Public Health Service should transmit a report to the Congress within 6 months after the date of enactment of this Act concerning any activities described in paragraph (2) which have been undertaken, and should include in such report any findings respecting the impact and potential benefits of displaying health warnings on the containers of alcoholic beverages and recommendations for specific language for such labels.

SEC. 4018. EFFORTS OF THE ENTERTAINMENT AND WRITTEN MEDIA INDUSTRY.

It is the sense of Congress that—

(1) whereas illegal drug and alcohol consumption and the trafficking in those illegal drugs and alcohol is a major problem in the United States,

(2) whereas the problem of alcohol abuse is particularly prevalent among and harmful to the Nation's young people, and

(3) whereas the values and mores portrayed in various forms of commercially produced entertainment have a profound effect on the attitudes of young people in this country,

the entertainment and written media industry should refrain from producing material meant for general entertainment which in any way glamorizes or encourages the use of illegal drugs and alcohol and the entertainment and written media industry should develop films, television programs, records, videos, and advertising which discourage the use of illegal drugs and alcohol.

SEC. 4019. SENSE OF THE CONGRESS URGING THE CATEGORIZATION OF FILMS WHICH PROMOTE ALCOHOL ABUSE AND DRUG USE.

(a) The Congress finds that—

(1) the abuse of alcohol and the use of drugs has become a societal problem of epidemic proportions,

(2) it is in the interest of all citizens to contribute to the reduction of alcohol abuse and drug use, particularly among youth,

(3) the entertainment industry, particularly the motion picture industry's production of youth-oriented films, often depicts alcohol abuse and drug use in a benign, even glamorous way,

(4) the motion picture industry has a profound impact on societal norms and is a powerful medium which exerts great influence on the values of youth, and

(5) the motion picture industry has recognized the need to inform parents about the contents of movies regarding violence, sex, language, and nudity and therefore currently employs a voluntary rating system.

(b) It is the sense of the Congress that the Motion Picture Association of America should incorporate a new rating in its voluntary movie rating system to clearly identify films which depict alcohol abuse and drug use.

(1) Drug abuse education and prevention programs are essential components of a comprehensive strategy to reduce the demand for and use of drugs throughout the Nation.

(2) Drug use and alcohol abuse are widespread among the Nation's students, not only in secondary schools, but increasingly in elementary schools as well.

(4) The tragic consequences of drug use and alcohol abuse by students are felt not only by students and their families, but also by their communities and the Nation, which can ill afford to lose their skills, talents, and vitality.

(5) Schools and local organizations in communities throughout the Nation have special responsibilities to work together to combat the scourge of drug use and alcohol abuse.

(6) Prompt action by our Nation's schools, families, and communities can bring significantly closer the goal of a drug-free generation and a drug-free society.

Subtitle C—Indians and Alaska Natives

Indian Alcohol and Substance Abuse Prevention and Treatment Act of 1986.
25 USC 2401 note.

SEC. 4201. SHORT TITLE.

This subtitle may be cited as the "Indian Alcohol and Substance Abuse Prevention and Treatment Act of 1986".

PART I—GENERAL PROVISIONS

25 USC prec. 2401.

SEC. 4202. FINDINGS.

The Congress finds and declares that—

(1) the Federal Government has a historical relationship and unique legal and moral responsibility to Indian tribes and their members,

(2) included in this responsibility is the treaty, statutory, and historical obligation to assist the Indian tribes in meeting the health and social needs of their members,

(3) alcoholism and alcohol and substance abuse is the most severe health and social problem facing Indian tribes and people today and nothing is more costly to Indian people than the consequences of alcohol and substance abuse measured in physical, mental, social, and economic terms,

(4) alcohol and substance abuse is the leading generic risk factor among Indians, and Indians die from alcoholism at over 4 times the age-adjusted rates for the United States population and alcohol and substance misuse results in a rate of years of potential life lost nearly 5 times that of the United States,

(5) 4 of the top 10 causes of death among Indians are alcohol and drug related injuries (18 percent of all deaths), chronic liver disease and cirrhosis (5 percent), suicide (3 percent), and homicide (3 percent),

(6) primarily because deaths from unintentional injuries and violence occur disproportionately among young people, the age-specific death rate for Indians is approximately double the United States rate for the 15 to 45 age group,

(7) Indians between the ages of 15 and 24 years of age are more than 2 times as likely to commit suicide as the general population and approximately 80 percent of those suicides are alcohol-related,

(8) Indians between the ages of 15 and 24 years of age are twice as likely as the general population to die in automobile accidents, 75 percent of which are alcohol-related,

(9) the Indian Health Service, which is charged with treatment and rehabilitation efforts, has directed only 1 percent of its budget for alcohol and substance abuse problems,

(10) the Bureau of Indian Affairs, which has responsibility for programs in education, social services, law enforcement, and other areas, has assumed little responsibility for coordinating its various efforts to focus on the epidemic of alcohol and substance abuse among Indian people,

(11) this lack of emphasis and priority continues despite the fact that Bureau of Indian Affairs and Indian Health Service officials publicly acknowledge that alcohol and substance abuse among Indians is the most serious health and social problem facing the Indian people, and

(12) the Indian tribes have the primary responsibility for protecting and ensuring the well-being of their members and the resources made available under this subtitle will assist Indian tribes in meeting that responsibility.

25 USC 2402.

SEC. 4203. PURPOSE.

It is the purpose of this subtitle to—

(1) authorize and develop a comprehensive, coordinated attack upon the illegal narcotics traffic in Indian country and the deleterious impact of alcohol and substance abuse upon Indian tribes and their members,

(2) provide needed direction and guidance to those Federal agencies responsible for Indian programs to identify and focus existing programs and resources, including those made available by this subtitle, upon this problem,

(3) provide authority and opportunities for Indian tribes to develop and implement a coordinated program for the prevention and treatment of alcohol and substance abuse at the local level, and

(4) to modify or supplement existing programs and authorities in the areas of education, family and social services, law enforcement and judicial services, and health services to further the purposes of this subtitle.

100 STAT. 3207-160

SEC. 6005. SUBSTANCE ABUSE COVERAGE STUDY.

21 USC 801 note.

Contracts.

(a) Study.—The Secretary of Health and Human Services shall contract with the Institute of Medicine of the National Academy of Sciences to conduct a study of (1) the extent to which the cost of drug abuse treatment is covered by private insurance, public programs, and other sources of payment, and (2) the adequacy of such coverage for the rehabilitation of drug abusers.

(b) Report.—Not later than one year after the date of the enactment of this Act the Secretary of Health and Human Services shall transmit to the Congress a report of the results of the study conducted under subsection (a). The report shall include recommendations of means to meet the needs identified in such study.

SEC. 6006. HEALTH INSURANCE COVERAGE FOR DRUG AND ALCOHOL TREATMENT.

21 USC 801 note.

(a) Findings.—The Congress finds that—

(1) drug and alcohol abuse are problems of grave concern and consequence in American society;

(2) over 500,000 individuals are known heroin addicts; 5 million individuals use cocaine; and at least 7 million individuals regularly use prescription drugs, mostly addictive ones, without medical supervision;

(3) 10 million adults and 3 million children and adolescents abuse alcohol, and an additional 30 to 40 million people are adversely affected because of close family ties to alcoholics;

(4) the total cost of drug abuse to the Nation in 1983 was over $60,000,000,000; and

(5) the vast majority of health benefits plans provide only limited coverage for treatment of drug and alcohol addiction, which is a fact that can discourage the abuser from seeking treatment or, if the abuser does seek treatment, can cause the abuser to face significant out of pocket expenses for the treatment.

(b) Sense of Congress.—It is the sense of Congress that—

(1) all employers providing health insurance policies should ensure that the policies provide adequate coverage for treatment of drug and alcohol addiction in recognition that the health consequences and costs for individuals and society can be as formidable as those resulting from other diseases and illnesses for which insurance coverage is much more adequate; and

State and local governments.

(2) State insurance commissioners should encourage employers providing health benefits plans to ensure that the policies provide more adequate coverage for treatment of drug and alcohol addiction.

100 STAT. 3207-161

(2) numerous recent congressional hearings and reports, reports by the Comptroller General, and studies by Executive branch agencies have documented the waste and inefficiency caused by this division of responsibilities;

(3) interagency competition for credit and budget dollars imposes critical obstacles to efficient application of national resources in combating drug trafficking and drug abuse; and

(4) successfully combating such trafficking and drug abuse requires coherent planning that includes intelligent organization and operations of Executive branch agencies.

INTERIOR ACTS

Public Law 99-264
99th Congress

An Act

To settle unresolved claims relating to certain allotted Indian lands on the White Earth Indian Reservation, to remove clouds from the titles to certain lands, and for other purposes.

Mar. 24, 1986
[S. 1396]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "White Earth Reservation Land Settlement Act of 1985".

White Earth Reservation Land Settlement Act of 1985.
Minnesota.
25 USC 331 note.
25 USC 331 note.

Sec. 2. The Congress finds that—

(1) claims on behalf of Indian allottees or heirs and the White Earth Band involving substantial amounts of land within the White Earth Indian Reservation in Minnesota are the subject of existing and potential lawsuits involving many and diverse interests in Minnesota, and are creating great hardship and uncertainty for government, Indian communities, and non-Indian communities;

(2) the lawsuits and uncertainty will result in great expense and expenditure of time, and could have a profound negative impact on the social and well-being of everyone on the reservation;

(3) the White Earth Band of Chippewa Indians, State of Minnesota, along with its political subdivisions, and other interested parties have made diligent efforts to fashion a settlement to these claims, and the Federal Government, by providing the assistance specified in this Act, will make possible the implementation of a permanent settlement with regard to these claims;

(4) past United States laws and policies have contributed to the uncertainty surrounding the claims;

(5) it is in the long-term interest of the United States, State of Minnesota, White Earth Band, Indians, and non-Indians for the United States to assist in the implementation of a fair and equitable settlement of these claims; and

(6) this Act will settle unresolved legal uncertainties relating to these claims.

Sec. 3. For purposes of this Act:

25 USC 331 note.

(a) "Allotment" shall mean an allocation of land on the White Earth Reservation, Minnesota, granted, pursuant to the Act of January 14, 1889 (25 Stat. 642), and the Act of February 8, 1887 (24 Stat. 388), to a Chippewa Indian.

(b) "Allottee" shall mean the recipient of an allotment.

(c) "Full blood" shall mean a Chippewa Indian of the White Earth Reservation, Minnesota, who was designated as a full blood Indian on the roll approved by the United States District Court for the District of Minnesota on October 1, 1920, or who was so designated by a decree of a Federal court of competent jurisdiction; it shall also refer to an individual who is not designated on said roll but who is the biological child of two full blood parents so designated on the roll or of one full blood parent so designated on the roll and one parent who was an Indian enrolled in any other federally recognized Indian tribe, band, or community.

100 STAT. 62

(d) "Inherited" shall mean received as a result of testate or intestate succession or any combination of testate or intestate succession, which succession shall be determined by the Secretary of the Interior or his authorized representative.

(e) "Mixed blood" shall mean a Chippewa Indian of the White Earth Reservation, Minnesota, who was designated as a mixed blood Indian on the roll approved by the United States District Court of Minnesota on October 1, 1920, unless designated a full blood by decree of a Federal court of competent jurisdiction; it shall also refer to any descendants of an individual who was listed on said roll providing the descendant was not a full blood under the definition in subsection (c) of this section. The term "mixed blood" shall not include an Indian enrolled in any federally recognized Indian tribe, band, or community other than the White Earth Band.

(f) "Tax forfeited" shall mean an allotment which, pursuant to State law, was declared forfeited for nonpayment of real property taxes and purportedly transferred directly to the State of Minnesota or to private parties or governmental entities.

(g) "Majority" shall mean the age of twenty-one years or older.

(h) "Secretary" shall mean the Secretary of the Interior or his/or her authorized representative.

(i) "Trust period" shall mean the period during which the United States held an allotment in trust for the allottee or the allottee's heirs. For the purpose of this Act, the Executive Order Numbered 4642 of May 5, 1927, Executive Order Numbered 5768 of December 10, 1931, and Executive Order Numbered 5953 of November 23, 1932, shall be deemed to have extended trust periods on all allotments or interests therein the trust periods for which would otherwise have expired in 1927, 1932, or 1933, notwithstanding the issuance of any fee patents for which there were no applications, and if such allotments were not specifically exempted from the Executive orders; and the Indian Reorganization Act of June 18, 1934, shall be deemed to have extended indefinitely trust periods on all allotments or interests therein the trust periods for which would otherwise have expired on June 18, 1934, or at any time thereafter. Said Executive orders and Act shall be deemed not to have extended the trust period for allotments or interests which were sold or mortgaged by adult mixed bloods, by non-Indians, or with the approval of the Secretary, or for allotments or interests which were sold or mortgaged by anyone where such sale or mortgage was the subject of litigation in Federal court which proceeded to a judgment on the merits and where the outcome of such litigation did not vacate or void said sale or mortgage.

25 USC 461 *et seq.*

(j) "Interest", except where such item is used in conjunction with "compound", shall mean a fractional holding, less than the whole, held in an allotment.

(k) "Adult" shall mean having attained the age of majority.

(c) This Act shall not apply to—

(1) any allotment or interest the sale or mortgage of which was the subject of litigation which proceeded to a judgment on the merits in Federal courts and where the outcome of such litigation was other than vacating and voiding such sale or mortgage;

(2) any allotment or interest which was tax forfeited subsequent to the date on which the tax exemption was declared by a Federal court to have expired;

(3) any allotment or interest which was sold, mortgaged, or tax forfeited after the expiration of the trust period; or

Nothing in this subsection shall be construed to remove any allotment described in section 4 from the compensation provided for in the Act.

(b) The proper county recording officer is the county recorder of the county in which the allotment or interest is located if the title has not been registered pursuant to Minnesota law. If the title has been so registered, the proper county recording officer shall be the registrar of titles in the county in which the allotment or interest is located.

(c) As to any allotment which was granted to an allottee who had died prior to the selection date of the allotment, the granting of such allotment is hereby ratified and confirmed, and shall be of the same effect as if the allotment had been selected by the allottee before the allottee's death: *Provided,* That the White Earth Band of Chippewa Indians shall be compensated for such allotments in the manner provided in sections 6, 7, and 8.

"SEC. 12. (a) The people of the Virgin Islands shall have the rights of initiative and recall to be exercised as provided in subsection (b) and subsection (c), respectively.

"(b)(1) An initiative may enact, amend, or repeal any law, except that an initiative shall not be used to repeal a law declared by the legislature at the time of passage to be an emergency law necessary for the preservation of the public health, safety, or peace.

"(2) An initiative that proposes a reduction of taxes shall also provide for an equivalent reduction of expenditures or an equivalent increase in revenues from other sources.

"(3) An initiative shall address one subject only and matters reasonably related to that subject.

"(4) The ballot question shall be in such form that a 'yes' vote is a vote in favor of the proposal and a 'no' vote is a vote against the proposal.

"(5) A copy of the proposed initiative petition, including a complete text of the proposed law and containing signatures equal to at least 1 percent of the voters of each legislative district or 4 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections prior to circulation for ballot qualification. The Supervisor of Elections must determine within 10 days after the submission whether the preliminary signatures are sufficient. If so determined, the Supervisor of Elections shall refer the preliminary petition to an initiative titling board consisting of the Attorney General, the Supervisor of Elections, and the legislative counsel of the legislature. The board shall, in an open hearing, prepare the official ballot title, the submission question, and a summary of the initiative proposal, and this preparation shall be completed within 30 days after the referral.

"(6) After the ballot title has been written, proponents of the initiative proposal shall have a maximum of 180 days to circulate the petition. Petitions containing signatures equal to at least 10 percent of the voters of each legislative district or 41 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections. The Supervisor shall have 15 days to determine that the minimum number of valid signatures are contained in the petition and he shall forward the certified proposal to the legislature which must accept or reject the measure within 30 days. If approved, the initiative shall take effect in accordance with its terms. If the legislature does not approve, the initiative shall be submitted to the voters at the next general election, unless the legislature approves a special election for this purpose. The voters shall have a clear alternative of rejecting either version or the entire proposition.

"(7) An initiative submitted to the voters shall take effect if the initiative is approved by a majority of persons voting and if a majority of the voters of the Virgin Islands vote on the initiative. An initiative may not be vetoed by the Governor, and when approved by the voters, may not be amended or repealed by the legislature during the 3-year period after its approval unless the legislature acts by a two-thirds majority.

"(8) The legislature may provide the manner in which petitions shall be circulated, filed, certified, and the ballot question shall be submitted to the voters.

"(c)(1) An elected public official of the Virgin Islands may be removed from office by a recall election carried out under this subsection. The grounds for recall are any of the following: lack of fitness, incompetence, neglect of duty, or corruption.

"(2) A recall election may be initiated by a two-thirds vote of the members of the legislature or by a petition under this subsection.

"(3) Prior to circulation a recall petition which identifies by name and office the official being recalled and which states the grounds for recall shall be submitted to the Supervisor of Elections. The sponsors of the recall petition shall be allowed a period of 60 days after such submission for filing with the Supervisor of Elections a list of signatures equal in number to at least 50 percent of the whole number of votes cast for that office in the last general election at which that office was filled. The Supervisor of Elections shall have 15 days in which to determine whether the minimum number of valid signatures are contained in the recall petition.

"(4) A special recall election shall be held with respect to an elected public official not earlier than 30 days after a vote of the legislature under paragraph (2) or a determination of the board of elections under paragraph (3), as the case may be, and not later than 60 days after such vote or determination.

"(5) An official shall be removed from office upon approval of the recall in an election in which at least two-thirds of the number of persons voting for such official in the last preceding general election at which such official was elected vote in favor of recall and in which those so voting constitute a majority of all those participating in such recall election.

"(6) No recall election shall be held with respect to an elected public official—

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I

Conservation.
Public information.
16 USC 341 note.

SEC. 101. BOUNDARIES OF ACADIA NATIONAL PARK.

In order to protect and conserve the land and water resources of Acadia National Park in the State of Maine (hereinafter in this title referred to as "the Park"), and to facilitate the administration of the Park, the boundary depicted on the map entitled "Acadia National Park Boundary Map", numbered 123-80011, and dated May 1986 (hereinafter in this title referred to as "the map") is hereby established as the permanent boundary for the Park. The map shall be on file and available for public inspection in the offices of the National Park Service, Department of the Interior, and it shall be made available to the Registry of Deeds for Hancock and Knox Counties, Maine.

Gifts and property.
16 USC 341 note.

SEC. 102. LANDS WITHIN BOUNDARIES.

(a) The Secretary of the Interior (hereinafter in this title referred to as "the Secretary") is authorized to acquire lands and interests therein within the boundaries of the Park by donation, exchange (in accordance with this section), or purchase with donated or appropriated funds, except that—

(1) any lands or interests therein owned by the State of Maine

or any political subdivision thereof may be acquired only by donation or exchange; and

(2) privately owned lands or interests therein may be acquired only with the consent of the owner thereof unless the Secretary determines that the property is being developed or proposed to be developed in a manner which is detrimental to the scenic, historical, cultural, and other values for which the Park was established.

(b)(1) Not later than 6 months after the enactment of this Act, the Secretary shall publish specific guidelines under which determinations shall be made under subsection (a)(2). The Secretary shall provide adequate opportunity for public comment on such guidelines. The guidelines shall provide for notice to the Secretary prior to commencement of any proposed development within the boundaries of the Park. The Secretary shall provide written notice to the owner of the property of any determination proposed to be made under subsection (a)(2) and shall provide the owner a reasonable opportunity to comment on such proposal.

(2) For purposes of this section, except as provided in paragraph (3), development or proposed development of private property within the boundaries of the Park that is significantly different from, or a significant expansion of, development existing as of November 1, 1985, shall be considered by the Secretary as detrimental to the values for which the Park was established.

100 STAT. 956

(3) Reconstruction or expansion of a private or commercial building shall not be treated as detrimental to the Park or as an incompatible development within the meaning of this section if such reconstruction or expansion is limited to one or more of the following:

(A) Reconstruction of an existing building.

(B) Construction of attached or accessory structural additions, which do not exceed 25 per centum of the square footage of the principal structure.

(C) Construction of reasonable support development such as roads, parking facilities, water and sewage systems, and dock facilities.

Real property.

(c)(1) The owners of any private property within the Park may, on the date of its acquisition by the Secretary and as a condition of such acquisition, retain for himself and his successors or assigns a right to use and occupancy for a definite term of not more than 25 years, or ending at the death of the owner, or his spouse, whichever is later. The owners shall elect the term to be reserved. The Secretary shall pay to the owner the fair market value of the property on the date of such acquisition, less the fair market value, of the right retained by the owner.

(2) Any such right retained pursuant to this subsection shall be subject to such terms and conditions as the Secretary may prescribe and may be terminated by the Secretary upon his determination and after reasonable notice to the owner thereof that such property is being used for any purpose which is incompatible with the administration of the Park or with the preservation of the resources therein. Such right shall terminate by operation of law upon notification to the owner by the Secretary and tendering to the owner the amount equal to the fair market value of that portion which remains unexpired.

(d)(1) In exercising his authority to acquire lands by exchange pursuant to this title, the Secretary may accept title to non-Federal property located within the the boundary of the Park and may convey to the grantor of such property any federally owned property under the jurisdiction of the Secretary which lies outside said boundary and depicted on the map. Properties so exchanged shall be approximately equal in value, as determined by the Secretary, except that the Secretary may accept cash from or pay cash to the grantor in such an exchange in order to equalize the value of the properties exchanged.

(2) Federally owned property under jurisdiction of the Secretary referred to in paragraph (1) of this subsection which is not exchanged within 10 years after enactment of this Act, shall be conveyed to the towns in which the property is located without emcumbrance and without monetary consideration, except that no town shall be eligible to receive such lands unless, within 10 years after enactment of this Act, lands within the Park boundary and owned by the town have been acquired by the Secretary.

(e) Notwithstanding any other provision of this section, lands depicted on the map referenced in section 101 and identified as 10DBH and 11DBH known as the "Bar Harbor Sewage Treatment

100 STAT. 957

Plant"; 14DBH known as the "New Park Street Ballfield"; and 15DBH known as the "Former Park Headquarters"; shall be conveyed by the Secretary, without monetary consideration, to the town of Bar Harbor, Maine, within 180 days following the enactment of this Act. The real property conveyed pursuant to this subsection shall be used and retained by the town for municipal and public purposes. Title to the properties conveyed pursuant to this subsection shall revert to the United States if such property or any portion thereof is conveyed by the town to another party or used for purposes other than those specified in this subsection.

(f) Notwithstanding any other provision of this section, land depicted on the map identified as 4DBH, located in the village of Town Hill, Maine, shall be conveyed by the Secretary without monetary consideration, to the town of Bar Harbor, Maine, as soon as practicable following the enactment of this Act, subject to such terms and conditions, including appropriate reversionary provisions, as will in the judgment of the Secretary provide for the development and use of such property by any town which so desires as a solid waste transfer station in accordance with a plan that is satisfactory to the town and the Secretary. The Secretary shall (subject to the availability of prior appropriations) contribute toward the cost of constructing such transfer station the lesser of—

(1) $350,000, or

(2) 50 per centum of the cost of such construction.

(g) Notwithstanding any other provision of this section, the Secretary is authorized to acquire by donation or exchange lands or interests therein in the area identified on the map as "Schooner Head", which is outside the boundary of the park. The Secretary is further authorized to acquire conservation easements on such lands by purchase with donated or appropriated funds if he determines after written notice to the owner and after providing a reasonable opportunity to comment on such notice, that the property is being developed or proposed to be developed in a manner which is significantly different from or a significant expansion of development existing as of November 1, 1985, as defined in subsection (b) of this section.

Conservation.

(h)(1) The Secretary is authorized to acquire conservation easements by purchase from a willing seller or by donation on parcels of land adjacent to the Park on Schoodic Peninsula, the islands of Hancock County, and the islands of Knox County east and south of the Penobscot Ship Channel, except such islands as lie within the town of Isle au Haut, Knox County. Parcels subject to conservation easements acquired or accepted by the Secretary under this subsection must possess one or more of the following characteristics:

(A) important scenic, ecological, historic, archeological, or cultural resources;

(B) shorefront property; or

(C) largely undeveloped entire islands.

(2) Conservation easements acquired pursuant to this subsection shall—

(A) protect the respective scenic, ecological, historic, archeological, or cultural resources existing on the parcels;

(B) preserve, through setback requirements or other appropriate restrictions, the open, natural, or traditional appearance of the shorefront when viewed from the water or from other public viewpoints; or

(C) limit year-round and seasonal residential and commercial development to activities consistent with the preservation of the 100 STAT. 958 islands' natural qualities and to traditional resource-based land use including, but not limited to, fishing, farming, silviculture, and grazing.

(3) In determining whether to accept or acquire conservation easements pursuant to this subsection, the Secretary shall consider the following factors:

(A) the resource protection benefits that would be provided by the conservation easement;

(B) the public benefit that would be provided by the conservation easement;

(C) the significance of the easement in relation to the land planning objectives of local government and regional and State agencies;

(D) the economic impact of the conservation easement on local livelihoods, activities, and government revenues; and

(E) the proximity of the parcel to the boundary of the Park and to other parcels on which the Secretary maintains conservation easements.

(4) For purposes of this subsection, the term "conservation easement" means a less-than-fee interest in land or a conservation restriction as defined in section 476 through 479-B inclusive, as amended, of title 33 of the Maine Revised Statutes of 1964, as in effect on the date of the enactment of this Act.

(5) No easement may be acquired by the Secretary under this subsection without first consulting with, and providing written notification to, the town in which the land is located and the Acadia National Park Advisory Commission established by section 103 of this title. In providing such notification, the Secretary shall indicate the manner and degree to which the easement meets the criteria provided in this subsection.

(i) Nothing in this section shall be construed to prohibit the use of condemnation as a means of acquiring a clear and marketable title, free of any and all encumbrances.

(j)(1) Notwithstanding any other provision of this section, the Secretary shall accept an offer of the following from the Jackson Laboratory (a not-for-profit corporation organized under the laws of Maine):

(A) Lands depicted on the map as 55 A ABH which are held in fee by the Jackson Laboratory.

(B) A conservation easement on lands depicted on the map identified as 55 ABH (the developed property known as "Highseas"). The easement shall prohibit subdivision of such land or any further significant development on such lands, except as permitted by the guidelines published under section 102(b)(1).

(2) Upon receipt of the lands and easement described in paragraph (1), the Secretary shall transfer to the Jackson Laboratory the lands depicted on the map as 8 DBH and 9 DBH. Any disparity in the fair market value of the lands and easement referred to in paragraph (1) and the lands described in the preceding sentence shall be equalized as provided in section 102(d)(1).

(k) For purposes of subsection (a)(2), the construction of one single family residence on Burnt Porcupine Island by the owner of the Island shall not be treated as detrimental to the scenic, historic, cultural, or other values for which the park was established if, before such construction commences, the Secretary has reviewed and approved plans for the size, location and architectural design of the structure.

Public Law 99-645
99th Congress

An Act

Nov. 10, 1986
[S. 740]

To promote the conservation of migratory waterfowl and to offset or prevent the serious loss of wetlands by the acquisition of wetlands and other essential habitat, and for other purposes.

Emergency Wetlands Resources Act of 1986.
16 USC 3901 note.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Emergency Wetlands Resources Act of 1986".

16 USC 3901.

SEC. 2. FINDINGS AND STATEMENT OF PURPOSE.

(a) FINDINGS.—The Congress finds that—

(1) wetlands play an integral role in maintaining the quality of life through material contributions to our national economy, food supply, water supply and quality, flood control, and fish, wildlife, and plant resources, and thus to the health, safety, recreation, and economic well-being of all our citizens of the Nation;

(2) wetlands provide habitat essential for the breeding, spawning, nesting, migration, wintering and ultimate survival of a major portion of the migratory and resident fish and wildlife of the Nation; including migratory birds, endangered species, commercially and recreationally important finfish, shellfish and other aquatic organisms, and contain many unique species and communities of wild plants;

(3) the migratory bird treaty obligations of the Nation with Canada, Mexico, Japan, the Union of Soviet Socialist Republics, and with various countries in the Western Hemisphere require Federal protection of wetlands that are used by migratory birds for breeding, wintering or migration and needed to achieve and to maintain optimum population levels, distributions, and patterns of migration;

(4) wetlands, and the fish, wildlife, and plants dependent on wetlands, provide significant recreational and commercial benefits, including—

(A) contributions to a commercial marine harvest valued at over $10,000,000,000 annually;

(B) support for a major portion of the Nation's multimillion dollar annual fur and hide harvest; and

(C) fishing, hunting, birdwatching, nature observation and other wetland-related recreational activities that generate billions of dollars annually;

(5) wetlands enhance the water quality and water supply of the Nation by serving as groundwater recharge areas, nutrient traps, and chemical sinks;

(6) wetlands provide a natural means of flood and erosion control by retaining water during periods of high runoff, thereby protecting against loss of life and property;

(7) wetlands constitute only a small percentage of the land area of the United States, are estimated to have been reduced by half in the contiguous States since the founding of our Nation, and continue to disappear by hundreds of thousands of acres each year;

(8) certain activities of the Federal Government have inappropriately altered or assisted in the alteration of wetlands, thereby unnecessarily stimulating and accelerating the loss of these valuable resources and the environmental and economic benefits that they provide; and

(9) the existing Federal, State, and private cooperation in wetlands conservation should be strengthened in order to minimize further losses of these valuable areas and to assure their management in the public interest for this and future generations.

International agreements.
Canada.
Mexico.
Japan.
Union of Soviet Socialist Republics.

(b) Purpose.—It is the purpose of this Act to promote, in concert with other Federal and State statutes and programs, the conservation of the wetlands of the Nation in order to maintain the public benefits they provide and to help fulfill international obligations contained in various migratory bird treaties and conventions with Canada, Mexico, Japan, the Union of Soviet Socialist Republics, and with various countries in the Western Hemisphere by—

(1) intensifying cooperative efforts among private interests and local, State, and Federal governments for the management and conservation of wetlands; and

(2) intensifying efforts to protect the wetlands of the Nation through acquisition in fee, easements or other interests and methods by local, State, and Federal governments and the private sector.

16 USC 3902.

(3) Special admission permits for uses such as group activities may be issued in accordance with procedures and at fees established by the Secretary.

"(2) The annuity payable to a former spouse under this subsection may not exceed the difference between—

"(3) TIME LIMITATIONS ON COMPLAINTS.—No complaint may be filed respecting any unfair immigration-related employment practice occurring more than 180 days prior to the date of the filing of the charge with the Special Counsel. No order shall require the hiring of an individual as an employee or the payment to an individual of any back pay, if the individual was refused employment for any reason other than discrimination on account of national origin or citizenship status.

"(D) TREATMENT OF DISTINCT ENTITIES.—In applying this subsection in the case of a person or entity composed of distinct, physicially separate subdivisions each of which provides separately for the hiring, recruiting, or referring for employment, without reference to the practices of, and not under the control of or common control with, another subdivision, each such subdivision shall be considered a separate person or entity.

"(3) ORDERS NOT FINDING VIOLATIONS.—If upon the preponderance of the evidence an administrative law judge determines that the person or entity named in the complaint has not engaged or is not engaging in any such unfair immigration-related employment practice, then the judge shall state his findings of fact and shall issue an order dismissing the complaint.

"(h) AWARDING OF ATTORNEYS' FEES.—In any complaint respecting an unfair immigration-related employment practice, an administrative law judge, in the judge's discretion, may allow a prevailing party, other than the United States, a reasonable attorney's fee, if the losing party's argument is without reasonable foundation in law and fact.

For subsequent fiscal years, the amount estimated to be expended shall be such estimate as is contained in the annual fiscal budget submitted for that year to the Congress by the President.

(D) ADJUSTMENT FOR ESTIMATES.—If the actual amount of expenditures by the Federal Government described in subparagraph (A) for a fiscal year exceeds, or is less than, the amount estimated to be expended for that year under subparagraph (C) for that year (taking into account any adjustment under this subparagraph), then for the subsequent fiscal year the amount described in this paragraph shall be decreased, or increased, respectively, by the amount of such excess or deficit for that previous fiscal year.

(b) ENTITLEMENT OF STATES.—(1) From the sums appropriated under subsection (a) for a fiscal year (less the amount reserved for Federal administrative costs), the Secretary of Health and Human Services (in this section referred to as the "Secretary") shall allot to each State with an application approved under subsection (d)(1) an amount determined in accordance with a formula, established by the Secretary by regulation, which takes into account—

(A) the number of eligible legalized aliens (as defined in subsection (j)(4)) residing in the State in that fiscal year;

(D) the ratio of the amount of such expenditures in the State to the total of all such expenditures in all the States;

(E) adjustments for the difference in previous years between the State's actual expenditures (described in subparagraph (C)) incurred and the allocation provided the State under this section for those years; and

(F) such other factors as the Secretary deems appropriate to provide for an equitable distribution of such amounts.

(2) To the extent that all the funds appropriated under this section for a fiscal year are not otherwise allotted to States either because all the States have not qualified for such allotments under this section for the fiscal year or because some States have indicated in their description of activities that they do not intend to use, in that fiscal year or the succeeding fiscal year, the full amount of such allotments, such excess shall be allotted among the remaining States in proportion to the amount otherwise allotted to such States for the fiscal year without regard to this paragraph.

(3) In determining the number of eligible legalized aliens for purposes of paragraph (1)(A), the Secretary may estimate such number on the basis of such data as he may deem appropriate.

(4) For each fiscal year the Secretary shall make payments, as provided by section 6503 of title 31, United States Code, to each State from its allotment under this subsection. Any amount paid to a State for any of the following fiscal years and remaining unobligated at the end of such year shall remain available to such State for the purposes for which it was made in subsequent fiscal years, but shall not remain available after September 30, 1994.

(c) PROVIDING ASSISTANCE.—(1) Of the amounts allotted to a State under this section, the State may only use such funds, in accordance with this section—

Subject to paragraph (2), the State may select the distribution of the use of such funds among such purposes.

(2)(A) Subject to subparagraphs (B) and (C), of the amounts allotted to a State under this section in any fiscal year, 10 percent shall be used by the State for reimbursement under paragraph (1)(A), 10 percent shall be used by the State for reimbursement under paragraph (1)(B), and 10 percent shall be used by the State for payments under paragraph (1)(C).

(B) If a State does not require the use of the full 10 percent provided under subparagraph (A) for a particular function described in a subparagraph of paragraph (1) for a fiscal year, the unused portion shall be equally distributed among the two other subparagraphs.

(C) In no case shall the funds provided under this section be used to provide reimbursement for more than 100 percent of the costs described in paragraph (1)(A) or (1)(B).

(3) To the extent that a State provides for the use of funds for the purpose described in paragraph (1)(C), the definitions and provisions

100 STAT. 3408

of the Emergency Immigrant Education Act of 1984 (title VI of Public Law 98-511; 20 U.S.C. 4101 et seq.) shall apply to payments under such paragraph in the same manner as they apply to payments under that Act, except that, in applying this paragraph—

Ante, p. 3394.

(B) in determining the amount of payment with respect to eligible legalized aliens who are over 16 years of age, the phrase "described under paragraph (2)" shall be deemed to be stricken from section 606(b)(1)(A) of such Act (20 U.S.C. 4105(b)(1)(A));

(C) the State educational agency may provide such educational services to adult eligible legalized aliens through local educational agencies and other public and private nonprofit organizations, including community-based organizations of demonstrated effectiveness; and

(d) STATEMENTS AND ASSURANCES.—(1) No State is eligible for payment under subsection (b) unless the State—

(A) has filed with, and had approved by, the Secretary an application containing such information, including the information described in paragraph (2) and criteria for and administrative methods of disbursing funds received under this section, as the Secretary determines to be necessary to carry out this section, and

(B) transmits to the Secretary a statement of assurances that certifies that (i) funds allotted to the State under this section will only be used to carry out the purposes described in subsection (c)(1), (ii) the State will provide a fair method (as determined by the State) for the allocation of funds among State and local agencies in accordance with paragraph (2) and subsection (c)(2), and (iii) fiscal control and fund accounting procedures will be established that are adequate to meet the requirements of paragraph (2) and subsections (e) and (f).

(2) The application of each State under this subsection for each fiscal year must include detailed information on—

In order to properly evaluate and to compare the performance of different States assisted under this section and to assure the proper expenditure of funds under this section, such reports shall be in such form and contain such information as the Secretary determines (after consultation with the States and the Comptroller General) to be necessary—

(i) to secure an accurate description of those activities,

(ii) to secure a complete record of the purposes for which funds were spent, and of the recipients of such funds, and

(iii) to determine the extent to which funds were expended consistent with this section. 100 STAT. 3409

Copies of the report shall be provided, upon request, to any interested public agency, and each such agency may provide its views on these reports to the Congress.

(B) The Secretary shall annually report to the Congress on activities funded under this section and shall provide for transmittal of a copy of such report to each State.

(2)(A) For requirements relating to audits of funds received by a State under this section, see chapter 75 of title 31, United States Code (relating to requirements for single audit). 31 USC 7501 *et seq.*

(C) The Secretary may, after notice and opportunity for a hearing, withhold payment of funds to any State which is not using its allotment under this section in accordance with this section. The Secretary may withhold such funds until the Secretary finds that the reason for the withholding has been removed and there is reasonable assurance that it will not recur.

(3) The State shall make copies of the reports and audits required by this subsection available for public inspection within the State.

(4)(A) For the purpose of evaluating and reviewing the assistance provided under this section, the Secretary and the Comptroller General shall have access to any books, accounts, records, correspondence, or other documents that are related to such assistance, and that are in the possession, custody, or control of States, political subdivisions thereof, or any of their grantees.

PART A—TEMPORARY AGRICULTURAL WORKERS

SEC. 301. H-2A AGRICULTURAL WORKERS.

(a) PROVIDING NEW "H-2A" NONIMMIGRANT CLASSIFICATION FOR TEMPORARY AGRICULTURAL LABOR.—Paragraph (15)(H) of section 101(a) (8 U.S.C. 1101(a)) is amended by striking out "to perform temporary services or labor," in clause (ii) and inserting in lieu thereof "(a) to perform agricultural labor or services, as defined by the Secretary of Labor in regulations and including agricultural labor defined in section 3121(g) of the Internal Revenue Code of 1954 and agriculture as defined in section 3(f) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(f)), of a temporary or seasonal nature, or (b) to perform other temporary service or labor". 26 USC 3121.

(b) INVOLVEMENT OF DEPARTMENTS OF LABOR AND AGRICULTURE IN H-2A PROGRAM.—Section 214(c) (8 U.S.C. 1184(c)) is amended by adding at the end the following: "For purposes of this subsection with respect to nonimmigrants described in section 101(a)(15)(H)(ii)(a), the term 'appropriate agencies of Government' means the Department of Labor and includes the Department of Agriculture. The provisions of section 216 shall apply to the question of importing any alien as a nonimmigrant under section 101(a)(15)(H)(ii)(a).". *Supra.* *Infra.*

(c) ADMISSION OF H-2A WORKERS.—Chapter 2 of title II is amended by adding after section 215 the following new section:

"ADMISSION OF TEMPORARY H-2A WORKERS

"SEC. 216. (a) CONDITIONS FOR APPROVAL OF H-2A PETITIONS.—(1) A petition to import an alien as an H-2A worker (as defined in subsection (i)(2)) may not be approved by the Attorney General unless the petitioner has applied to the Secretary of Labor for a certification that— 8 USC 1186.

"(A) there are not sufficient workers who are able, willing, and qualified, and who will be available at the time and place needed, to perform the labor or services involved in the petition, and

"(B) the employment of the alien in such labor or services will not adversely affect the wages and working conditions of workers in the United States similarly employed.

"(2) The Secretary of Labor may require by regulation, as a condition of issuing the certification, the payment of a fee to recover the reasonable costs of processing applications for certification.

"(b) CONDITIONS FOR DENIAL OF LABOR CERTIFICATION.—The Secretary of Labor may not issue a certification under subsection (a) with respect to an employer if the conditions described in that subsection are not met or if any of the following conditions are met:

"(1) There is a strike or lockout in the course of a labor dispute which, under the regulations, precludes such certification.

"(2)(A) The employer during the previous two-year period employed H-2A workers and the Secretary of Labor has determined, after notice and opportunity for a hearing, that the employer at any time during that period substantially violated a material term or condition of the labor certification with respect to the employment of domestic or nonimmigrant workers.

"(B) No employer may be denied certification under subparagraph (A) for more than three years for any violation described in such subparagraph.

"(3) The employer has not provided the Secretary with satisfactory assurances that if the employment for which the certification is sought is not covered by State workers' compensation law, the employer will provide, at no cost to the worker, insurance covering injury and disease arising out of and in the course of the worker's employment which will provide benefits at least equal to those provided under the State workers' compensation law for comparable employment.

"(4) The Secretary determines that the employer has not made positive recruitment efforts within a multi-state region of traditional or expected labor supply where the Secretary finds that there are a significant number of qualified United States workers who, if recruited, would be willing to make themselves available for work at the time and place needed. Positive recruitment under this paragraph is in addition to, and shall be conducted within the same time period as, the circulation through the interstate employment service system of the employer's job offer. The obligation to engage in positive recruitment under this paragraph shall terminate on the date the H-2A workers depart for the employer's place of employment.

"(c) Special Rules for Consideration of Applications.—The following rules shall apply in the case of the filing and consideration of an application for a labor certification under this section:

"(1) Deadline for filing applications.—The Secretary of Labor may not require that the application be filed more than 60 days before the first date the employer requires the labor or services of the H-2A worker.

"(2) Notice within seven days of deficiencies.—(A) The employer shall be notified in writing within seven days of the date of filing if the application does not meet the standards (other than that described in subsection (a)(1)(A)) for approval.

"(B) If the application does not meet such standards, the notice shall include the reasons therefor and the Secretary shall provide an opportunity for the prompt resubmission of a modified application.

"(3) Issuance of certification.—(A) The Secretary of Labor shall make, not later than 20 days before the date such labor or services are first required to be performed, the certification described in subsection (a)(1) if—

100 STAT. 3413

"(i) the employer has complied with the criteria for certification (including criteria for the recruitment of eligible individuals as prescribed by the Secretary), and

"(ii) the employer does not actually have, or has not been provided with referrals of, qualified eligible individuals who have indicated their availability to perform such labor or services on the terms and conditions of a job offer which meets the requirements of the Secretary.

In considering the question of whether a specific qualification is appropriate in a job offer, the Secretary shall apply the normal and accepted qualifications required by non-H-2A-employers in the same or comparable occupations and crops.

"(B)(i) For a period of 3 years subsequent to the effective date of this section, labor certifications shall remain effective only if, from the time the foreign worker departs for the employer's place of employment, the employer will provide employment to any qualified United States worker who applies to the employer until 50 percent of the period of the work contract, under which the foreign worker who is in the job was hired, has elapsed. In addition, the employer will offer to provide benefits, wages and working conditions required pursuant to this section and regulations.

"(ii) The requirement of clause (i) shall not apply to any employer who—

"(I) did not, during any calendar quarter during the preceding calendar year, use more than 500 man-days of agricultural labor, as defined in section 3(u) of the Fair Labor Standards Act of 1938 (29 U.S.C. 203(u)), "(II) is not a member of an association which has petitioned for certification under this section for its members, and

"(III) has not otherwise associated with other employers who are petitioning for temporary foreign workers under this section.

"(iii) Six months before the end of the 3-year period described in clause (i), the Secretary of Labor shall consider the findings of the report mandated by section 403(a)(4)(D) of the Immigration Reform and Control Act of 1986 as well as other relevant materials, including evidence of benefits to United States workers and costs to employers, addressing the advisability of continuing a policy which requires an employer, as a condition for certification under this section, to continue to accept qualified, eligible United States workers for employment after the date the H-2A workers depart for work with the employer. The Secretary's review of such findings and materials shall lead to the issuance of findings in furtherance of the Congressional policy that aliens not be admitted under this section unless there are not sufficient workers in the United States who are able, willing, and qualified to perform the labor or service needed and that the employment of the aliens in such labor or services will not adversely affect the wages and working conditions of workers in the United States similarly employed. In the absence of the enactment of Federal legislation prior to three months before the end of the 3-year period described in clause (i) which addresses the subject matter of this subparagraph, the Secretary shall immediately publish the findings required by this clause, and shall promulgate, on an interim or final basis, 100 STAT. 3414
regulations based on his findings which shall be effective no later than three years from the effective date of this section.

"(iv) In complying with clause (i) of this subparagraph, an association shall be allowed to refer or transfer workers among its members: *Provided*, That for purposes of this section an association acting as an agent for its members shall not be considered a joint employer merely because of such referral or transfer.

"(v) United States workers referred or transferred pursuant to clause (iv) of this subparagraph shall not be treated disparately.

"(vi) An employer shall not be liable for payments under section 655.202(b)(6) of title 20, Code of Federal Regulations (or any successor regulation) with respect to an H-2A worker who is displaced due to compliance with the requirement of this subparagraph, if the Secretary of Labor certifies that the H-2A worker was displaced because of the employer's compliance with clause (i) of this subparagraph.

"(vii)(I) No person or entity shall willfully and knowingly withhold domestic workers prior to the arrival of H-2A workers in order to force the hiring of domestic workers under clause (i).

"(II) Upon the receipt of a complaint by an employer that a violation of subclause (I) has occurred the Secretary shall immediately investigate. He shall within 36 hours of the receipt of the complaint issue findings concerning the alleged violation. Where the Secretary finds that a violation has occurred, he shall immediately suspend the application of clause (i) of this subparagraph with respect to that certification for that date of need.

"(4) Housing.—Employers shall furnish housing in accordance with regulations. The employer shall be permitted at the employer's option to provide housing meeting applicable Federal standards for temporary labor camps or to secure housing which meets the local standards for rental and/or public accomodations or other substantially similar class of habitation: *Provided*, That in the absence of applicable local standards, State standards for rental and/or public accomodations or other substantially similar class of habitation shall be met: *Provided further,* That in the absence of applicable local or State standards, Federal temporary labor camp standards shall apply: *Provided further,* That the Secretary of Labor shall issue regulations which address the specific requirements of housing for employees principally engaged in the range production of livestock: *Provided further,* That when it is the prevailing practice in the area and occupation of intended employment to provide family housing, family housing shall be provided to workers with families who request it: *And provided further,* That nothing in this paragraph shall require an employer to provide or secure housing for workers who are not entitled to it under the temporary labor certification regulations in effect on June 1, 1986.

"(d) ROLES OF AGRICULTURAL ASSOCIATIONS.—

"(1) PERMITTING FILING BY AGRICULTURAL ASSOCIATIONS.—A petition to import an alien as a temporary agricultural worker, and an application for a labor certification with respect to such a worker, may be filed by an association of agricultural producers which use agricultural services.

100 STAT. 3415

"(2) TREATMENT OF ASSOCIATIONS ACTING AS EMPLOYERS.—If an association is a joint or sole employer of temporary agricultural workers, the certifications granted under this section to the association may be used for the certified job opportunities of any of its producer members and such workers may be transferred among its producer members to perform agricultural services of a temporary or seasonal nature for which the certifications were granted.

"(3) TREATMENT OF VIOLATIONS.—

"(A) MEMBER'S VIOLATION DOES NOT NECESSARILY DISQUALIFY ASSOCIATION OR OTHER MEMBERS.—If an individual producer member of a joint employer association is determined to have committed an act that under subsection (b)(2) results in the denial of certification with respect to the member, the denial shall apply only to that member of the association unless the Secretary determines that the association or other member participated in, had knowledge of, or reason to know of, the violation.

"(B) ASSOCIATION'S VIOLATION DOES NOT NECESSARILY DISQUALIFY MEMBERS.—(i) If an association representing agricultural producers as a joint employer is determined to have committed an act that under subsection (b)(2) results in the denial of certification with respect to the association, the denial shall apply only to the association and does not apply to any individual producer member of the association unless the Secretary determines that the member participated in, had knowledge of, or reason to know of, the violation.

"(ii) If an association of agricultural producers certified as a sole employer is determined to have committed an act that under subsection (b)(2) results in the denial of certification with respect to the association, no individual producer member of such association may be the beneficiary of the services of temporary alien agricultural workers admitted under this section in the commodity and occupation in which such aliens were employed by the association which was denied certification during the period such denial is in force, unless such producer member employs such aliens in the commodity and occupation in question directly or through an association which is a joint employer of such workers with the producer member.

"(e) EXPEDITED ADMINISTRATIVE APPEALS OF CERTAIN DETERMINATIONS.—(1) Regulations shall provide for an expedited procedure for the review of a denial of certification under subsection (a)(1) or a revocation of such a certification or, at the applicant's request, for a de novo administrative hearing respecting the denial or revocation.

"(2) The Secretary of Labor shall expeditiously, but in no case later than 72 hours after the time a new determination is requested, make a new determination on the request for certification in the case of an H-2A worker if able, willing, and qualified eligible individuals are not actually available at the time such labor or services are required and a certification was denied in whole or in part because of the availability of qualified workers. If the employer asserts that any eligible individual who has been referred is not able, willing, or qualified, the burden of proof is on the employer to establish that the individual referred is not able, willing, or qualified because of employment-related reasons.

"(f) Violators Disqualified for 5 Years.—An alien may not be admitted to the United States as a temporary agricultural worker if the alien was admitted to the United States as such a worker within the previous five-year period and the alien during that period violated a term or condition of such previous admission.

"(g) Authorizations of Appropriations.—(1) There are authorized to be appropriated for each fiscal year, beginning with fiscal year 1987, $10,000,000 for the purposes—

"(A) of recruiting domestic workers for temporary labor and services which might otherwise be performed by nonimmigrants described in section 101(a)(15)(H)(ii)(a), and *Ante*, p. 3411.

"(B) of monitoring terms and conditions under which such nonimmigrants (and domestic workers employed by the same employers) are employed in the United States.

"(2) The Secretary of Labor is authorized to take such actions, including imposing appropriate penalties and seeking appropriate injunctive relief and specific performance of contractual obligations, as may be necessary to assure employer compliance with terms and conditions of employment under this section.

"(3) There are authorized to be appropriated for each fiscal year, beginning with fiscal year 1987, such sums as may be necessary for the purpose of enabling the Secretary of Labor to make determinations and certifications under this section and under section 212(a)(14). 8 USC 1182.

"(4) There are authorized to be appropriated for each fiscal year, beginning with fiscal year 1987, such sums as may be necessary for the purposes of enabling the Secretary of Agriculture to carry out the Secretary's duties and responsibilities under this section.

"(h) Miscellaneous Provisions.—(1) The Attorney General shall provide for such endorsement of entry and exit documents of nonimmigrants described in section 101(a)(15)(H)(ii) as may be necessary to carry out this section and to provide notice for purposes of section 274A. *Ante*, p. 3411. *Ante*, p. 3360.

State and local governments.

"(2) The provisions of subsections (a) and (c) of section 214 and the provisions of this section preempt any State or local law regulating admissibility of nonimmigrant workers.

"(i) Definitions.—For purposes of this section:

"(1) The term 'eligible individual' means, with respect to employment, an individual who is not an unauthorized alien (as defined in section 274A(h)) with respect to that employment.

"(2) The term 'H-2A worker' means a nonimmigrant described in section 101(a)(15)(H)(ii)(a).".

"(B) PERFORMANCE OF SEASONAL AGRICULTURAL SERVICES AND RESIDENCE IN THE UNITED STATES.—The alien must establish that he has—

"(i) resided in the United States, and

"(ii) performed seasonal agricultural services in the United States for at least 90 man-days,

during the 12-month period ending on May 1, 1986. For purposes of the previous sentence, performance of seasonal agricultural services in the United States for more than one employer on any one day shall be counted as performance of services for only 1 man-day.

"(C) ADMISSIBLE AS IMMIGRANT.—The alien must establish that he is admissible to the United States as an immigrant, except as otherwise provided under subsection (c)(2).

"(2) ADJUSTMENT TO PERMANENT RESIDENCE.—The Attorney General shall adjust the status of any alien provided lawful temporary resident status under paragraph (1) to that of an alien lawfully admitted for permanent residence on the following date:

"(A) GROUP 1.—Subject to the numerical limitation established under subparagraph (C), in the case of an alien who has established, at the time of application for temporary residence under paragraph (1), that the alien performed seasonal agricultural services in the United States for at least 90 man-days during each of the 12-month periods ending on May 1, 1984, 1985, and 1986, the adjustment shall occur on the first day after the end of the one-year period that begins on the later of (I) the date the alien was granted such temporary resident status, or (II) the day after the last day of the application period described in paragraph (1)(A).

"(B) GROUP 2.—In the case of aliens to which subparagraph (A) does not apply, the adjustment shall occur on the day after the last day of the two-year period that begins on the later of (I) the date the alien was granted such temporary resident status, or (II) the day after the last day of the application period described in paragraph (1)(A).

"(C) NUMERICAL LIMITATION.—Subparagraph (A) shall not apply to more than 350,000 aliens. If more than 350,000 aliens meet the requirements of such subparagraph, such subparagraph shall apply to the 350,000 aliens whose applications for adjustment were first filed under paragraph (1) and subparagraph (B) shall apply to the remaining aliens.

"(3) TERMINATION OF TEMPORARY RESIDENCE.—During the period of temporary resident status granted an alien under paragraph (1), the Attorney General may terminate such status only upon a determination under this Act that the alien is deportable.

"(4) AUTHORIZED TRAVEL AND EMPLOYMENT DURING TEMPORARY RESIDENCE.—During the period an alien is in lawful temporary resident status granted under this subsection, the alien has the right to travel abroad (including commutation from a residence abroad) and shall be granted authorization to engage in employment in the United States and shall be provided an 'employment authorized' endorsement or other appropriate work permit, in the same manner as for aliens lawfully admitted for permanent residence.

"(5) IN GENERAL.—Except as otherwise provided in this subsection, an alien who acquires the status of an alien lawfully admitted for temporary residence under paragraph (1), such status not having changed, is considered to be an alien lawfully admitted for permanent residence (as described in section 101(a)(20)), other than under any provision of the immigration laws.

"(b) APPLICATIONS FOR ADJUSTMENT OF STATUS.—

"(1) TO WHOM MAY BE MADE.—

"(A) WITHIN THE UNITED STATES.—The Attorney General shall provide that applications for adjustment of status under subsection (a) may be filed—

"(i) with the Attorney General, or

"(ii) with a designated entity (designated under paragraph (2)), but only if the applicant consents to the forwarding of the application to the Attorney General.

"(B) OUTSIDE THE UNITED STATES.—The Attorney General, in cooperation with the Secretary of State, shall provide a procedure whereby an alien may apply for adjustment of status under subsection (a)(1) at an appropriate consular office outside the United States. If the alien otherwise qualifies for such adjustment, the Attorney General shall provide such documentation of authorization to enter the United States and to have the alien's status adjusted upon entry as may be necessary to carry out the provisions of this section.

"(2) DESIGNATION OF ENTITIES TO RECEIVE APPLICATIONS.—For purposes of receiving applications under this section, the Attorney General—

"(A) shall designate qualified voluntary organizations and other qualified State, local, community, farm labor organizations, and associations of agricultural employers, and

"(ii) If an employer or farm labor contractor employing such an alien has kept proper and adequate records respecting such employment, the alien's burden of proof under clause (i) may be met by securing timely production of those records under regulations to be promulgated by the Attorney General.

"(iii) An alien can meet such burden of proof if the alien establishes that the alien has in fact performed the work described in subsection (a)(1)(B)(ii) by producing sufficient evidence to show the extent of that employment as a matter of just and reasonable inference. In such a case, the burden then shifts to the Attorney General to disprove the alien's evidence with a showing which negates the reasonableness of the inference to be drawn from the evidence.

"(4) Treatment of applications by designated entities.—Each designated entity must agree to forward to the Attorney General applications filed with it in accordance with paragraph (1)(A)(ii) but not to forward to the Attorney General applications filed with it unless the applicant has consented to such forwarding. No such entity may make a determination required by this section to be made by the Attorney General.

"(5) Limitation on access to information.—Files and records prepared for purposes of this section by designated entities operating under this section are confidential and the Attorney General and the Service shall not have access to such files or records relating to an alien without the consent of the alien.

"(6) Confidentiality of information.—Neither the Attorney General, nor any other official or employee of the Department of Justice, or bureau or agency thereof, may—

"(A) use the information furnished pursuant to an application filed under this section for any purpose other than to make a determination on the application or for enforcement of paragraph (7),

"(B) make any publication whereby the information furnished by any particular individual can be identified, or

"(C) permit anyone other than the sworn officers and employees of the Department or bureau or agency or, with respect to applications filed with a designated entity, that designated entity, to examine individual applications.

"(i) files an application for adjustment of status under this section and knowingly and willfully falsifies, conceals, or covers up a material fact or makes any false, fictitious, or fraudulent statements or representations, or makes or uses any false writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry, or

"(ii) creates or supplies a false writing or document for use in making such an application,

shall be fined in accordance with title 18, United States Code, or imprisoned not more than five years, or both.

SEC. 303. DETERMINATIONS OF AGRICULTURAL LABOR SHORTAGES AND ADMISSION OF ADDITIONAL SPECIAL AGRICULTURAL WORKERS.

(a) In General.—Chapter 1 of title II is amended by adding after section 210 (added by section 302 of this title) the following new section: 42 USC 401.

"DETERMINATION OF AGRICULTURAL LABOR SHORTAGES AND ADMISSION OF ADDITIONAL SPECIAL AGRICULTURAL WORKERS

"Sec. 210A. (a) Determination of Need to Admit Additional Special Agricultural Workers.— 8 USC 1161.

"(1) In general.—Before the beginning of each fiscal year (beginning with fiscal year 1990 and ending with fiscal year 1993), the Secretaries of Labor and Agriculture (in this section referred to as the 'Secretaries') shall jointly determine the number (if any) of additional aliens who should be admitted to 100 STAT. 3423 the United States or who should otherwise acquire the status of aliens lawfully admitted for temporary residence under this section during the fiscal year to meet a shortage of workers to perform seasonal agricultural services in the United States during the year. Such number is, in this section, referred to as the 'shortage number'.

"(2) Overall determination.—The shortage number is—

"(A) the anticipated need for special agricultural workers (as determined under paragraph (4)) for the fiscal year, minus

"(B) the supply of such workers (as determined under paragraph (5)) for that year,

divided by the factor (determined under paragraph (6)) for man-days per worker.

"(3) No replenishment if no shortage.—In determining the shortage number, the Secretaries may not determine that there is a shortage unless, after considering all of the criteria set forth in paragraphs (4) and (5), the Secretaries determine that there will not be sufficient able, willing, and qualified workers available to perform seasonal agricultural services required in the fiscal year involved.

"(4) Determination of need.—For purposes of paragraph (2)(A), the anticipated need for special agricultural workers for a fiscal year is determined as follows:

"(A) Base.—The Secretaries shall jointly estimate, using statistically valid methods, the number of man-days of labor performed in seasonal agricultural services in the United States in the previous fiscal year.

"(B) Adjustment for crop losses and changes in industry.—The Secretaries shall jointly—

"(i) increase such number by the number of man-days of labor in seasonal agricultural services in the United

States that would have been needed in the previous fiscal year to avoid any crop damage or other loss that resulted from the unavailability of labor, and

"(ii) adjust such number to take into account the projected growth or contraction in the requirements for seasonal agricultural services as a result of—

"(I) growth or contraction in the seasonal agriculture industry, and

"(II) the use of technologies and personnel practices that affect the need for, and retention of, workers to perform such services.

"(5) DETERMINATION OF SUPPLY.—For purposes of paragraph (2)(B), the anticipated supply of special agricultural workers for a fiscal year is determined as follows:

"(A) BASE.—The Secretaries shall use the number estimated under paragraph (4)(A).

"(B) ADJUSTMENT FOR RETIREMENTS AND INCREASED RECRUITMENT.—The Secretaries shall jointly—

"(i) decrease such number by the number of man-days of labor in seasonal agricultural services in the United States that will be lost due to retirement and movement of workers out of performance of seasonal agricultural services, and

"(ii) increase such number by the number of additional man-days of labor in seasonal agricultural services in the United States that can reasonably be expected to result from the availability of able, willing, qualified, and unemployed special agricultural workers, rural low skill, or manual, laborers, and domestic agricultural workers.

"(C) BASES FOR INCREASED NUMBER.—In making the adjustment under subparagraph (B)(ii), the Secretaries shall consider—

"(i) the effect, if any, that improvements in wages and working conditions offered by employers will have on the availability of workers to perform seasonal agricultural services, taking into account the adverse effect, if any, of such improvements in wages and working conditions on the economic competitiveness of the perishable agricultural industry,

"(ii) the effect, if any, of enhanced recruitment efforts by the employers of such workers and government employment services in the traditional and expected areas of supply of such workers, and

"(iii) the number of able, willing and qualified individuals who apply for employment opportunities in seasonal agricultural services listed with offices of government employment services.

Wages.

"(D) CONSTRUCTION.—Nothing in this subsection shall be deemed to require any individual employer to pay any specified level of wages, to provide any specified working conditions, or to provide for any specified recruitment of workers.

"(6) DETERMINATION OF MAN-DAY PER WORKER FACTOR.—

"(A) FISCAL YEAR 1990.—For fiscal year 1990—

"(i) IN GENERAL.—Subject to clause (ii), for purposes of paragraph (2) the factor under this paragraph is the average number, as estimated by the Director of the Bureau of the Census under subsection (b)(3)(A)(ii), of man-days of seasonal agricultural services performed in the United States in fiscal year 1989 by special agricultural workers whose status is adjusted under section 210 and who performed seasonal agricultural services in the United States at any time during the fiscal year.

"(ii) LACK OF ADEQUATE INFORMATION.—If the Director determines that—

"(I) the information reported under subsection (b)(2)(A) is not adequate to make a reasonable estimate of the average number described in clause (i), but

"(II) the inadequacy of the information is not due to the refusal or failure of employers to report the information required under subsection (b)(2)(A),

the factor under this paragraph is 90.

"(B) FISCAL YEAR 1991.—For purposes of paragraph (2) for fiscal year 1991, the factor under this paragraph is the average number, as estimated by the Director of the Bureau of the Census under subsection (b)(3)(A)(ii), of man-days of seasonal agricultural services performed in the United States in fiscal year 1990 by special agricultural workers who obtained lawful temporary resident status under this section.

"(C) FISCAL YEARS 1992 AND 1993.—For purposes of paragraph (2) for fiscal years 1992 and 1993, the factor under this paragraph is the average number, as estimated by the Director of the Bureau of the Census under subsection (b)(3)(A)(ii), of man-days of seasonal agricultural services performed in the United States in each of the two previous fiscal years by special agricultural workers who obtained lawful temporary resident status under this section during either of such fiscal years.

100 STAT. 3425

"(7) EMERGENCY PROCEDURE FOR INCREASE IN SHORTAGE NUMBER.—

"(A) REQUESTS.—After the beginning of a fiscal year, a group or association representing employers (and potential employers) of individuals who perform seasonal agricultural services may request the Secretaries to increase the shortage number for the fiscal year based upon a showing that extraordinary, unusual, and unforeseen circumstances have resulted in a significant increase in the shortage number due to (i) a significant increase in the need for special agricultural workers in the year, (ii) a significant decrease in the availability of able, willing, and qualified workers to perform seasonal agricultural services, or (iii) a significant decrease (below the factor used for purposes of paragraph (6)) in the number of man-days of seasonal agricultural services performed by aliens who were recently admitted (or whose status was recently adjusted) under this section.

Federal Register, publication.

"(B) NOTICE OF EMERGENCY PROCEDURE.—Not later than 3 days after the date the Secretaries receive a request under subparagraph (A), the Secretaries shall provide for notice in the Federal Register of the substance of the request and shall provide an opportunity for interested parties to submit information to the Secretaries on a timely basis respecting the request.

Federal Register, publication.

"(C) PROMPT DETERMINATION ON REQUEST.—The Secretaries, not later than 21 days after the date of the receipt of such a request and after consideration of any information submitted on a timely basis with respect to the request, shall make and publish in the Federal Register their determination on the request. The request shall be granted, and the shortage number for the fiscal year shall be increased, to the extent that the Secretaries determine that such an increase is justified based upon the showing and circumstances described in subparagraph (A) and that such an increase takes into account reasonable recruitment efforts having been undertaken.

"(8) PROCEDURE FOR DECREASING MAN-DAYS OF SEASONAL AGRICULTURAL SERVICES REQUIRED IN THE CASE OF OVER-SUPPLY OF WORKERS.—

"(A) REQUESTS.—After the beginning of a fiscal year, a group of special agricultural workers may request the Secretaries to decrease the number of man-days required under subparagraphs (A) and (B) of subsection (d)(2) with respect to the fiscal year based upon a showing that extraordinary, unusual, and unforeseen circumstances have resulted in a significant decrease in the shortage number due to (i) a significant decrease in the need for special agricultural workers in the year, (ii) a significant increase in the availability of able, willing, and qualified workers to perform seasonal agricultural services, or (iii) a significant increase (above the factor used for purposes of paragraph (6)) in the number of man-days of seasonal agricultural services performed by aliens who were recently admitted (or whose status was recently adjusted) under this section.

Federal Register, publication.

"(B) NOTICE OF REQUEST.—Not later than 3 days after the date the Secretaries receive a request under subparagraph (A), the Secretaries shall provide for notice in the Federal Register of the substance of the request and shall provide an opportunity for interested parties to submit information to the Secretaries on a timely basis respecting the request.

Federal Register, publication.

"(C) DETERMINATION ON REQUEST.—The Secretaries, before the end of the fiscal year involved and after consideration of any information submitted on a timely basis with respect to the request, shall make and publish in the Federal Register their determination on the request. The request shall be granted, and the number of man-days specified in subparagraphs (A) and (B) of subsection (d)(2) for the fiscal year shall be reduced by the same proportion as the Secretaries determine that a decrease in the shortage number is justified based upon the showing and circumstances described in subparagraph (A).

"(b) ANNUAL NUMERICAL LIMITATION ON ADMISSION OF ADDITIONAL SPECIAL AGRICULTURAL WORKERS.—

"(1) ANNUAL NUMERICAL LIMITATION.—

"(A) FISCAL YEAR 1990.—The numerical limitation on the number of aliens who may be admitted under subsection (c)(1) or who otherwise may acquire lawful temporary residence under such subsection for fiscal year 1990 is—

"(C) ADJUSTMENT TO TAKE INTO ACCOUNT CHANGE IN NUMBER OF H-2 AGRICULTURAL WORKERS.—The number used under subparagraph (A)(ii) or (B)(ii) (as the case may be) shall be increased or decreased to reflect any numerical increase or decrease, respectively, in the number of aliens admitted to perform temporary seasonal agricultural services (as defined in subsection (g)(2)) under section 101(a)(15)(H)(ii)(a) in the fiscal year compared to such number in the previous fiscal year.

"(C) BASIS FOR ESTIMATES.—The Director shall base the estimates under subparagraph (A) on the information furnished under subparagraph (B), but shall take into account (to the extent feasible) the underreporting or duplicate reporting of special agricultural workers who have performed seasonal agricultural services at any time during the fiscal year. The Director shall periodically conduct appropriate surveys, of agricultural employers and others, to ascertain the extent of such underreporting or duplicate reporting.

"(D) REPORT.—The Director shall annually prepare and report to the Congress information on the estimates made under this paragraph.

ALLOTMENT FORMULA AND REALLOTMENTS

42 USC 10822.

Sec. 112. (a)(1)(A) Except as provided in paragraph (2) and subject to the availability of appropriations under section 117, the Secretary shall make allotments under section 103 from amounts appropriated under section 117 for a fiscal year to eligible systems on the basis of a formula prescribed by the Secretary which is based equally—

(i) on the population of each State in which there is an eligible system; and

(ii) on the population of each such State weighted by its relative per capita income.

(B) For purposes of subparagraph (A)(ii), the term "relative per capita income" means the quotient of the per capita income of the United States and the per capita income of the State, except that if the State is Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, the Trust Territory of the Pacific Islands, or the Virgin Islands, the quotient shall be considered to be one.

(3) The Secretary shall make reallotments under paragraphs (1) and (2) on such date or dates as the Secretary may fix (but not earlier than 30 days after the Secretary has published notice of the intention of the Secretary to make such reallotment in the Federal Register). A reallotment to an eligible system shall be made in proportion to the original allotment of such system for such fiscal year, but with such proportionate amount for such system being reduced to the extent it exceeds the sum the Secretary estimates such system needs and will be able to use during such period. The total of such reductions shall be similarly reallotted among eligible systems whose proportionate amounts were not so reduced. Any amount so reallotted to an eligible system for a fiscal year shall be deemed to be a part of its allotment under subsection (a) for such fiscal year.

"DETERMINATION OF ELIGIBILITY AND COMPENSATION

Courts, U.S.
Records.
42 USC 300aa-13.

"Sec. 2113. (a) General Rule.—

"(1) Compensation shall be awarded under the Program to a petitioner if the court finds on the record as a whole—

"(A) that the petitioner has demonstrated by a preponderance of the evidence the matters required in the petition by section 2111(c)(1), and

"(B) that there is not a preponderance of the evidence that the illness, disability, injury, condition, or death described in the petition is due to factors unrelated to the administration of the vaccine described in the petition.

The court may not make such a finding based on the claims of a petitioner alone, unsubstantiated by medical records or by medical opinion.

"(2) For purposes of paragraph (1), the term 'factors unrelated to the administration of the vaccine'—

"(A) does not include any idiopathic, unexplained, unknown, hypothetical, or undocumentable cause, factor, injury, illness, or condition, and

"(B) may, as documented by the petitioner's evidence or other material in the record, include infection, toxins, trauma (including birth trauma and related anoxia), or metabolic disturbances which have no known relation to the vaccine involved, but which in the particular case are shown to have been the agent or agents principally responsible for causing the petitioner's illness, disability, injury, condition, or death.

"(b) Matters To Be Considered.—

Courts, U.S.
Records.

"(1) In determining whether to award compensation to a petitioner under the Program, the court shall consider, in addition to all other relevant medical and scientific evidence contained in the record—

"(A) any diagnosis, conclusion, medical judgment, or autopsy or coroner's report which is contained in the record regarding the nature, causation, and aggravation of the petitioner's illness, disability, injury, condition, or death, and

"(B) the results of any diagnostic or evaluative test which are contained in the record and the summaries and conclusions.

Any such diagnosis, conclusion, judgment, test result, report, or summary shall not be binding on the court. In evaluating the weight to be afforded to any such diagnosis, conclusion, judgment, test result, report, or summary, the court shall consider the entire record and the course of the injury, disability, illness, or condition until the date of the judgment of the court.

"(2) The court may find the first symptom or manifestation of onset or significant aggravation of an injury, disability, illness, condition, or death described in a petition occurred within the time period described in the Vaccine Injury Table even though the occurrence of such symptom or manifestation was not recorded or was incorrectly recorded as having occurred outside such period. Such a finding may be made only upon demonstration by a preponderance of the evidence that the onset or significant aggravation of the injury, disability, illness, condition, or death described in the petition did in fact occur within the time period described in the Vaccine Injury Table.

100 STAT. 3764

"(c) Record Defined.—For purposes of this section, the term 'record' means the record established by a distict court of the United States in a proceeding on a petition filed under section 2111.

100 STAT. 3765

"(b) QUALIFICATIONS AND AIDS TO INTERPRETATION.—The following qualifications and aids to interpretation shall apply to the Vaccine Injury Table in subsection (a):

"(1) A shock-collapse or a hypotonic-hyporesponsive collapse may be evidenced by indicia or symptoms such as decrease or loss of muscle tone, paralysis (partial or complete), hemiplegia or hemiparesis, loss of color or turning pale white or blue, unresponsiveness to environmental stimuli, depression of consciousness, loss of consciousness, prolonged sleeping with difficulty arousing, or cardiovascular or respiratory arrest.

"(2) A petitioner may be considered to have suffered a residual seizure disorder if the petitioner did not suffer a seizure or convulsion unaccompanied by fever or accompanied by a fever of less than 102 degrees Fahrenheit before the first seizure or convulsion after the administration of the vaccine involved and if—

"(A) in the case of a measles, mumps, or rubella vaccine or any combination of such vaccines, the first seizure or convulsion occurred within 15 days after administration of the vaccine and 2 or more seizures or convulsions occurred within 1 year after the administration of the vaccine which were unaccompanied by fever or accompanied by a fever of less than 102 degrees Fahrenheit, and

"(B) in the case of any other vaccine, the first seizure or convulsion occurred within 3 days after administration of the vaccine and 2 or more seizures or convulsions occurred within 1 year after the administration of the vaccine which were unaccompanied by fever or accompanied by a fever of less than 102 degrees Fahrenheit.

"(3)(A) The term 'encephalopathy' means any significant acquired abnormality of, or injury to, or impairment of function of the brain. Among the frequent manifestations of encephalopathy are focal and diffuse neurologic signs, increased intracranial pressure, or changes lasting at least 6 hours in level of consciousness, with or without convulsions. The neurological signs and symptoms of encephalopathy may be temporary with complete recovery, or may result in various degrees of permanent impairment. Signs and symptoms such as high pitched and unusual screaming, persistent unconsolable crying, and bulging fontanel are compatible with an encephalopathy, but in and of themselves are not conclusive evidence of encephalopathy. Encephalopathy usually can be documented by slow wave activity on an electroencephalogram.

"(B) If in a proceeding on a petition it is shown by a preponderance of the evidence that an encephalopathy was caused by infection, toxins, trauma, or metabolic disturbances the encephalopathy shall not be considered to be a condition set forth in the table. If at the time a judgment is entered on a petition filed under section 2111(b) for a vaccine-related injury or death it is not possible to determine the cause, by a preponderance of the evidence, of an encephalopathy, the encephalopathy shall be considered to be a condition set forth in the table. In determining whether or not an encephalopathy is a condition set forth in the table, the court shall consider the entire medical record.

"(4) For purposes of paragraphs (2) and (3), the terms 'seizure' and 'convulsion' include grand mal, petit mal, absence, myoclonic, tonic-clonic, and focal motor seizures and signs. If a provision of the table to which paragraph (1), (2), (3), or (4) applies is revised under subsection (c) or (d), such paragraph shall not apply to such provision after the effective date of the revision unless the revision specifies that such paragraph is to continue to apply.

"(c) ADMINISTRATIVE REVISION OF THE TABLE.—

"(1) The Secretary may promulgate regulations to modify in accordance with paragraph (3) the Vaccine Injury Table. In promulgating such regulations, the Secretary shall provide for notice and opportunity for a public hearing and at least 180 days of public comment.

"(2) Any person (including the Advisory Commission on Childhood Vaccines) may petition the Secretary to propose regulations to amend the Vaccine Injury Table. Unless clearly frivolous, or initiated by the Commission, any such petition shall be referred to the Commission for its recommendations. Following—

"(A) receipt of any recommendation of the Commission, or

Federal Register, publication.

"(B) 180 days after the date of the referral to the Commission,

whichever occurs first, the Secretary shall conduct a rulemaking proceeding on the matters proposed in the petition or publish in the Federal Register a statement of reasons for not conducting such proceeding.

"(3) A modification of the Vaccine Injury Table under paragraph (1) may add to, or delete from, the list of injuries, disabilities, illnesses, conditions, and deaths for which compensation may be provided or may change the time periods for the first symptom or manifestation of the onset or the significant aggravation of any such injury, disability, illness, condition, or death.

"(4) Any modification under paragraph (1) of the Vaccine Injury Table shall apply only with respect to petitions for compensation under the Program which are filed after the effective date of such regulation.

Regulations.

100 STAT. 3767

"(d) Role of Commission.—Except with respect to a regulation recommended by the Advisory Commission on Childhood Vaccines, the Secretary may not propose a regulation under subsection (c) or any revision thereof, unless the Secretary has first provided to the Commission a copy of the proposed regulation or revision, requested recommendations and comments by the Commission, and afforded the Commission at least 90 days to make such recommendations.

"(2) If the petitioner, before the effective date of this title, filed a civil action for damages for any vaccine-related injury or death for which compensation may be awarded under the Program, and elected under section 2111(a)(4) to withdraw such action and to file a petition for compensation under the Program, the judgment of the court on such petition may include an amount limited to the costs and expenses incurred by the petitioner and the attorney of the petitioner before the effective date of this subtitle in preparing, filing, and prosecuting such civil action (including the reasonable value of the attorney's time if the civil action was filed under contingent fee arrangements).

TITLE IV—ENCOURAGING GOOD FAITH PROFESSIONAL REVIEW ACTIVITIES

Health Care Quality Improvement Act of 1986.

SEC. 401. SHORT TITLE.

42 USC 11101 note.

This title may be cited as the "Health Care Quality Improvement Act of 1986".

SEC. 402. FINDINGS.

42 USC 11101.

The Congress finds the following:

(1) The increasing occurrence of medical malpractice and the need to improve the quality of medical care have become nationwide problems that warrant greater efforts than those that can be undertaken by any individual State.

(2) There is a national need to restrict the ability of incompetent physicians to move from State to State without disclosure or discovery of the physician's previous damaging or incompetent performance.

(3) This nationwide problem can be remedied through effective professional peer review.

(4) The threat of private money damage liability under Federal laws, including treble damage liability under Federal antitrust law, unreasonably discourages physicians from participating in effective professional peer review.

(5) There is an overriding national need to provide incentive and protection for physicians engaging in effective professional peer review.

PART A—PROMOTION OF PROFESSIONAL REVIEW ACTIVITIES

SEC. 411. PROFESSIONAL REVIEW.

42 USC 11111.

(a) In General.—

State and local governments.

(1) Limitation on damages for professional review actions.—If a professional review action (as defined in section 431(9)) of a professional review body meets all the standards specified in section 412(a), except as provided in subsection (b)—

(A) the professional review body,

(B) any person acting as a member or staff to the body,

(C) any person under a contract or other formal agreement with the body, and

(D) any person who participates with or assists the body with respect to the action,

shall not be liable in damages under any law of the United States or of any State (or political subdivision thereof) with respect to the action. The preceding sentence shall not apply to damages under any law of the United States or any State relating to the civil rights of any person or persons, including the Civil Rights Act of 1964, 42 U.S.C. 2000e, et seq. and the Civil Rights Acts, 42 U.S.C. 1981, et seq. Nothing in this paragraph shall prevent the United States or any Attorney General of a State from bringing an action, including an action under section 4C of the Clayton Act, 15 U.S.C. 15C, where such an action is otherwise authorized.

Physicians.

(2) Protection for those providing information to professional review bodies.—Notwithstanding any other provision of law, no person (whether as a witness or otherwise) providing information to a professional review body regarding the competence or professional conduct of a physician shall be held, by

reason of having provided such information, to be liable in damages under any law of the United States or of any State (or political subdivision thereof) unless such information is false and the person providing it knew that such information was false.

Federal Register, publication.

(b) EXCEPTION.—If the Secretary has reason to believe that a health care entity has failed to report information in accordance with section 423(a), the Secretary shall conduct an investigation. If, after providing notice of noncompliance, an opportunity to correct the noncompliance, and an opportunity for a hearing, the Secretary determines that a health care entity has failed substantially to report information in accordance with section 423(a), the Secretary shall publish the name of the entity in the Federal Register. The protections of subsection (a)(1) shall not apply to an entity the name of which is published in the Federal Register under the previous sentence with respect to professional review actions of the entity commenced during the 3-year period beginning 30 days after the date of publication of the name.

(c) TREATMENT UNDER STATE LAWS.—

(1) PROFESSIONAL REVIEW ACTIONS TAKEN ON OR AFTER OCTOBER 14, 1989.—Except as provided in paragraph (2), subsection (a) shall apply to State laws in a State only for professional review actions commenced on or after October 14, 1989.

(2) EXCEPTIONS.—

(A) STATE EARLY OPT-IN.—Subsection (a) shall apply to State laws in a State for actions commenced before October 14, 1989, if the State by legislation elects such treatment.

(B) STATE OPT-OUT.—Subsection (a) shall not apply to State laws in a State for actions commenced on or after October 14, 1989, if the State by legislation elects such treatment.

(C) EFFECTIVE DATE OF ELECTION.—An election under State law is not effective, for purposes of subparagraphs (A) and (B), for actions commenced before the effective date of the State law, which may not be earlier than the date of the enactment of that law.

42 USC 11112.

SEC. 412. STANDARDS FOR PROFESSIONAL REVIEW ACTIONS.

(a) IN GENERAL.—For purposes of the protection set forth in section 411(a), a professional review action must be taken—

100 STAT. 3786

(1) in the reasonable belief that the action was in the furtherance of quality health care,

(2) after a reasonable effort to obtain the facts of the matter,

Physicians.

(3) after adequate notice and hearing procedures are afforded to the physician involved or after such other procedures as are fair to the physician under the circumstances, and

(4) in the reasonable belief that the action was warranted by the facts known after such reasonable effort to obtain facts and after meeting the requirement of paragraph (3).

A professional review action shall be presumed to have met the preceding standards necessary for the protection set out in section 411(a) unless the presumption is rebutted by a preponderance of the evidence.

Physicians.

(b) ADEQUATE NOTICE AND HEARING.—A health care entity is deemed to have met the adequate notice and hearing requirement of subsection (a)(3) with respect to a physician if the following conditions are met (or are waived voluntarily by the physician):

(1) NOTICE OF PROPOSED ACTION.—The physician has been given notice stating—

(A)(i) that a professional review action has been proposed to be taken against the physician,

(ii) reasons for the proposed action,

(B)(i) that the physician has the right to request a hearing on the proposed action,

(ii) any time limit (of not less than 30 days) within which to request such a hearing, and

(C) a summary of the rights in the hearing under paragraph (3).

(2) Notice of hearing.—If a hearing is requested on a timely basis under paragraph (1)(B), the physician involved must be given notice stating—

(A) the place, time, and date, of the hearing, which date shall not be less than 30 days after the date of the notice, and

(B) a list of the witnesses (if any) expected to testify at the hearing on behalf of the professional review body.

(3) Conduct of hearing and notice.—If a hearing is requested on a timely basis under paragraph (1)(B)—

(A) subject to subparagraph (B), the hearing shall be held (as determined by the health care entity)—

(i) before an arbitrator mutually acceptable to the physician and the health care entity,

(ii) before a hearing officer who is appointed by the entity and who is not in direct economic competition with the physician involved, or

(iii) before a panel of individuals who are appointed by the entity and are not in direct economic competition with the physician involved;

(C) in the hearing the physician involved has the right—

(i) to representation by an attorney or other person of the physician's choice,

(ii) to have a record made of the proceedings, copies of which may be obtained by the physician upon payment of any reasonable charges associated with the preparation thereof, Records.

(iii) to call, examine, and cross-examine witnesses,

(iv) to present evidence determined to be relevant by the hearing officer, regardless of its admissibility in a court of law, and

(v) to submit a written statement at the close of the hearing; and

(D) upon completion of the hearing, the physician involved has the right—

(i) to receive the written recommendation of the arbitrator, officer, or panel, including a statement of the basis for the recommendations, and

(ii) to receive a written decision of the health care entity, including a statement of the basis for the decision.

A professional review body's failure to meet the conditions described in this subsection shall not, in itself, constitute failure to meet the standards of subsection (a)(3).

(c) Adequate Procedures in Investigations or Health Emergencies.—For purposes of section 411(a), nothing in this section shall be construed as—

(1) requiring the procedures referred to in subsection (a)(3)—

(A) where there is no adverse professional review action taken, or

(B) in the case of a suspension or restriction of clinical privileges, for a period of not longer than 14 days, during which an investigation is being conducted to determine the need for a professional review action; or

(2) precluding an immediate suspension or restriction of clinical privileges, subject to subsequent notice and hearing or other adequate procedures, where the failure to take such an action may result in an imminent danger to the health of any individual.

42 USC 11113.

SEC. 413. PAYMENT OF REASONABLE ATTORNEYS' FEES AND COSTS IN DEFENSE OF SUIT.

Courts, U.S.

In any suit brought against a defendant, to the extent that a defendant has met the standards set forth under section 412(a) and the defendant substantially prevails, the court shall, at the conclusion of the action, award to a substantially prevailing party defending against any such claim the cost of the suit attributable to such claim, including a reasonable attorney's fee, if the claim, or the claimant's conduct during the litigation of the claim, was frivolous, unreasonable, without foundation, or in bad faith. TITLE IX—ALZHEIMER'S DISEASE AND RELATED DEMENTIAS SERVICES RESEARCH

Alzheimer's Disease and Related Dementias Services Research Act of 1986.

PART A—GENERAL PROVISIONS

SHORT TITLE

SEC. 901. This title may be cited as the "Alzheimer's Disease and Related Dementias Services Research Act of 1986".

42 USC 11201 note.

FINDINGS

42 USC 11201.

SEC. 902. The Congress finds that—

(1) best estimates indicate that between 2,000,000 and 3,000,000 Americans presently have Alzheimer's disease or related dementias;

(2) estimates of the number of individuals afflicted with Alzheimer's disease and related dementias are unreliable because current diagnostic procedures lack accuracy and sensitivity and because there is a need for epidemiological data on incidence and prevalence of such disease and dementias;

100 STAT. 3803

(3) studies estimate that between one-half and two-thirds of patients in nursing homes meet the clinical and mental status criteria for dementia;

(4) the care for individuals with Alzheimer's disease and related dementias falls primarily on their families, and such care is very often financially and emotionally devastating;

(5) the cost of caring for individuals with Alzheimer's disease and related dementias is great, and conservative estimates range between $38,000,000,000 and $42,000,000,000 per year solely for direct costs;

(6) although substantial progress has been made in recent years in identifying possible leads to the causes of Alzheimer's disease and related dementias and more progress can be expected in the near future, there is little likelihood of a breakthrough in the foreseeable future which would eliminate or substantially reduce the number of individuals with such disease and dementias or the difficulties of caring for such individuals;

(7) attempts to reduce the emotional and financial burden of caring for dementia patients is impeded by a lack of knowledge about such patients, how to care for such patients, the costs associated with such care, the effectiveness of various modes of care, the quality and type of care necessary at various stages of

the disease, and other appropriate services that are needed to provide quality care;

(8) the results of the little research that has been undertaken concerning dementia has been inadequate or the results have not been widely disseminated;

(9) more knowledge is needed concerning—

(A) the epidemiology of, and the identification of risk factors for, Alzheimer's disease and related dementias;

(B) the development of methods for early diagnosis, functional assessment, and psychological evaluation of individuals with Alzheimer's disease for the purpose of monitoring the course of the disease and developing strategies for improving the quality of life for such individuals;

(C) the understanding of the optimal range and cost-effectiveness of community and institutional services for individuals with Alzheimer's disease and related dementias and their families, particularly with respect to the design, delivery, staffing, and mix of such services and the coordination of such services with other services, and with respect to the relationship of formal to informal support services;

(D) the understanding of optimal methods to combine formal support services provided by health care professionals with informal support services provided by family, friends, and neighbors of individuals with Alzheimer's disease, and the identification of ways family caregivers can be sustained through interventions to reduce psychological and social problems and physical problems induced by stress;

(E) existing data that are relevant to Alzheimer's disease and related dementias; and

(F) the costs incurred in caring for individuals with Alzheimer's disease and related dementias;

100 STAT. 3804

(10) it is imperative to provide appropriate coordination of the efforts of the Federal Government in the provision of services for individuals with Alzheimer's disease and related dementias;

(11) it is important to increase the understanding of Alzheimer's disease and related dementias by the diverse range of personnel involved in the care of individuals with such disease and dementias; and

(12) it is imperative that the Social Security Administration be provided information pertaining to Alzheimer's disease and related dementias, particularly for personnel in such Administration involved in the establishment and updating of criteria for determining whether an individual is under a disability for purposes of titles II and XVI of the Social Security Act.

42 USC 401 *et seq.*, 1381 *et seq.*

IVa. COMPARISON OF APPROPRIATIONS BY DEPARTMENTS AND ESTABLISHMENTS, FISCAL YEARS 1986 AND 1987—Continued

---

[1] Section 401 of the Congressional Budget and Impoundment Control Act of 1974 (Public Law 93-344) requires that all borrowing and contracting authority (so called "backdoor authority") enacted after March 3, 1975, be subject to subsequent appropriation action with certain exceptions which are listed under Sec. 401(d) of the Act (see p. 1956 in the 1974-1975 volume for text of Sec. 401(d)). This amount represents budget authority which falls within those exceptions.

[2] Excludes $15,536,817,000 for the Commodity Credit Corporation shown in President's budget as "permanent Federal funds" but reflected in this document as part of a "direct appropriation" of $19,808,806,000 (see pp. 201 and 3094, this volume).

[3] Included under "Permanent appropriations, Federal funds."

[4] Shown under "General Government" in previous volumes.

[15] Vetoed by the President October 9, 1986.

[16] For informational purposes only. Amount included in net total for "regular annual appropriation acts" earlier in table.

[17] See pp. 557-565 and pp. 567-572 for status reports on rescissions and deferrals.

Note.—The President's Budget for 1987 submitted February 5, 1986 (H. Doc. 99-143), tentatively estimated total new budget (obligational) authority for fiscal year 1987 at $1,102.0 billion net ($1,296.7 billion gross, including $194.7 billion in intragovernmental transactions and certain so-called proprietary receipts handled as offsets for budget purposes only). An estimated $732.5 billion does not require action by Congress. This amount includes permanent appropriations such as interest on the public debt and various trust funds for which the obligational authority is already provided in the basic law. Virtually all of the remaining $555.9 billion (exclusive of reductions of $8.3 billion shown in the February budget under the category "to be requested separately") is for consideration at this session of Congress in the appropriation bills.

[1] Includes $15,536,817,000 for the Commodity Credit Corporation submitted in the President's budget (H. Doc. 99-144) as "Permanent Federal funds" (see footnote 3 below).

[2] Section 401 of the Congressional Budget and Impoundment Control Act of 1974 (Public Law 93-344) requires that all borrowing and contracting authority (so called "backdoor authority") enacted after March 3, 1975, be subject to subsequent appropriation action with certain exceptions which are listed under Sec. 401(d) of the Act (see p. 1956 in the 1974-1975 volume for text of Sec. 401(d)). This amount represents budget authority which falls within those exceptions.

[3] Excludes $15,536,817,000 for the Commodity Credit Corporation submitted in the President's budget (H. Doc. 99-144) as "Permanent Federal funds" but reflected in this table as part of a "current definite" appropriation of $19,808,806,000 provided in P.L. 99-591 (see pp. 201 and 3094, this volume).

[4] Excludes $383,000,000 requested as an amendment for fiscal years 1988 and 1989 for Military Construction.

[5] Included under "Permanent appropriations, Federal funds".

[6] Reflects actual rescission rather than comparison with request.

[7] Shown under "General Government" in previous volumes.

[8] Subject to revision as better data becomes available.

The trust fund amounts in this table for the fiscal years 1938–68, inclusive, are derived from footnotes carried to table X in the volume for the 90th Cong., 1st sess., and being estimates thereof as shown in the respective annual budgets, are to some extent approximate. Permanent trust fund amounts for the 99th Cong., 2d sess., are based on estimates in the February 1986 Budget, and are thus subject to revision when actual amounts become known. Permanent "Federal" fund amounts are also based on estimates thereof as shown in the respective annual budgets, and are thus also subject to revision when actual amounts become known.]
